Tales of the Teahouse Retold Katherine Liang Chew, 2002 *Tales of the Teahouse Retold* is based on the author's original translation of Feng Shen Yan Yi an important volume of Chinese mythology first published during the Ming Dynasty 1368 1644 It is the story of the overthrow the Shang Dynasty circa 1766 1122 BC and the founding of the Chou Dynasty 1122 249 BC Combining historical facts folklore mythology and legends these tales describe a time when gods and men beasts and monsters and spirits and specters mingled with each other in peace and war The saga begins when King Zhou of Shang offends the Snail Goddess who sends three specters to bewitch the king in retribution The kingdom falls into chaos and civil war ensues with gods and other supernatural beings taking sides In the end many of the slain heroes are invested as gods For centuries the tale was told in successive story telling sessions as teahouse entertainment The author has faithfully kept to the original style and ambience in retelling these tales *Tales of the Teahouse Retold* will be of interest to fans of oriental mythology philosophy and literature It is suitable for recreational reading as well as supplemental reading for students of Chinese history and culture On Coming Home Paula Morris, 2015-05-04 The declamatory return a homeland as a wearying enigma This all makes sense to me The New Zealand that's home to me may be a place of sheep and rugby and number eight wire whatever that is but it's also none of those things Am I still a New Zealander Award winning writer Paula Morris confronts long standing fears of what it means to return home Is ambition and adventure being traded for a forever home of commitments and compromises Will she still belong And will the belonging impose its own restrictions Seeking answers in the words of writer exiles Morris's returning takes us back to her childhood streets and ancestral voyages and on beyond to the lost New Zealand worlds of her writing *Performing Contemporary Childhoods* Bryoni Trezise, 2023-09-22 *Performing Contemporary Childhoods* Being and Becoming a Viral Child examines the changing nature of contemporary childhoods by exploring how children's and young people's digital media create new ideas about youth agency Visual cultures of childhood have been traditionally traced in photography Material cultures of childhood have been likewise traced in archives scripts and even toys This book shows that performance cultures and their digital literacies expressed in viral forms such as TikTok dance challenges tweets and viral GIFs create new ideas about childhood by positioning young people as authors and owners of their self representations With the global pandemic in its immediate backdrop the book finds that reshaped social relations and a context of crisis in our political social and ecological realms cultivate nostalgia for ideals of innocent childhood that only promise to be disrupted by the complex ambiguous and ultimately resistive acts young people appear to generate for and about themselves This book is ideal for students and scholars of childhood studies performance studies social and cultural history and visual and digital culture The Children of Now . . . Evolution Meg Blackburn Losey, 2014-11-01 Humanity is in a fast forward stage of evolution We saw this first with the Bridge Generation For the past

several decades children are born into our world with various gifts and knowing first introduced as Indigo Children and as generations have passed referred to as Crystalline Children Star Children and more In these times we bear witness to how consciousness and the minds of the future of humanity are changing in spectacular ways This is a phenomenon that should not be ignored Who are these amazing beings and why are they here What is happening that causes some kids to remember where they came from who they were in past lives that they are natural healers and so sensitive that they can't keep still How is it that they feel everything and can't distinguish what feelings belong to them and what belongs to others In this follow up to her bestselling book *The Children of Now* Meg Losey revisits these spectacular children and discusses who they are becoming and how their growing influence is changing society for the better *The Children of Now Evolution* addresses the following What is the magic of these children who embody unconditional love and have the foresight to see a new future for our people and our planet How do their minds work and why are they hyper sensitive in some ways and desensitized in others Is our DNA changing and taking us into a new or different physiology What does autism ADD ADHD bipolar disorder Asperger's Syndrome have to do with Crystalline Children and Star Kids if anything Why are so many kids being drugged Why are so many young adults falling off the edge into darker more destructive thoughts and actions from self abuse with drugs to hurting themselves and worse How are vaccines GMO in our foods contributing to mutating human biology particularly our DNA How are we society parents caregivers and guardians failing to give these kids what they need How can we What will it take How can we structure our schools to meet the needs of these kids Instead of surviving their educations how can we help them to thrive Losey offers concrete information for parents schools and others to understand what these kids need and how to help them function and flourish Too often these children are mislabeled as ADD or ADHD or worse She also addresses the metaphysical realities that these children and others perceive There may not be monsters in the closet or under the bed but these highly evolved children may actually be seeing things that their parents or caregivers cannot Finally she paints a picture of what our world will look like when the Children of Now take over With new research and reports from the field *The Children of Now Evolution* is even more important to the families of today and tomorrow

Cyborg's Mate
Anna Lewis, 2020-04-14 STEAMY HOT CYBORG ROMANCE COLLECTION 3 Standalone Romance Short Stories With No Cliffhanger Cyborg Love All the cyborgs want is the chance to live but they have to fight for it Cyborgs aren't meant to live They're monsters created by the Government to fight When they went wrong they should have been killed there and then Eve hates the cyborg army because they killed her brother She doesn't care that they've got a consciousness she doesn't consider them human They shouldn't be here anymore However her path for revenge leads her to the very hot Javier a cyborg that teaches her she isn't always right As he takes her on a journey she wasn't expecting she learns that maybe she hasn't ever been supporting the right side As more shocks and secrets are revealed she recognizes the world needs a massive change and that she might have to help make that change come about Sweet Cyborg One coin will give Adrienne the happiness of a

lifetime But what happens when she matches with someone outside of this social norm Earth Year 5678 Couples are joined together by union machines which match them based on 98% compatibility Adrienne has yet to use these machines even though her best friend and her boss have been pressuring to do it When her boss hands her a galactic coin for the machine she concedes Maybe her mundane cycle of work and sleep would be more bearable with a partner At the machines she clumsily drops the coin on the ground and bumps heads with a complete stranger a rather handsome stranger with a cybernetic arm He asks her to coffee Even though social norm dictates their matches must come from the machine Adrienne accepts his offer and they connect immediately Their connection is disrupted when Adrienne receives an email from the Federation matching her with someone else When Leo discovers this match their bond is nearly destroyed and Adrienne must make a choice Terraformed Skies The perfect relationship without any worries and judgment okay sure Erika He s perfection His muscles glisten with sweat in the hot sun and his body beckons for me to touch it I know I m his superior in many ways Our classes are separated but I want him more than anything His eyes light up when they see me and his smile is genuine His body does things to me I ve only dreamed I can t focus on anything else when I think of those beautiful lips covering my skin It s impossible When those awful creatures invaded I nearly lost him If I had I wouldn t be standing here I d be lost and wrought with sorrow utterly destroyed My heart belongs to him no matter where we are even if it s in the middle of a battlefield Leonard Such an intelligent woman would want nothing to do with me yet here she was rolling her hips against my body We were one No one could judge us in this space My rough hands embraced every inch of her skin and her moans signaled me to push further I just wanted to make her happy but the world was beginning to fall apart at the seams We would have to fight through together or lose each other forever

Child as Method Erica Burman, 2024-03-19 In this vital volume Erica Burman presents a synthesis of her work developed over the past decade Building from her path breaking critiques of developmental psychology to the strategy of plural developments her more recent work elaborates a new approach generated from postcolonial feminist intersectionality and migration studies Child as method This text amplifies the Child as method s success as a distinct way of exploring the alignments of current new materialist or posthumanist approaches with supposedly older materialist analyses including Marxist theory feminist theory anticolonial approaches and psychoanalytic perspectives It assumes that childhood is a material practice both undertaken by children themselves and by those who live and work with them as well as by those who define politics policies and popular culture about children Key chapters interrogate historical legacies arising from the Eurocentric origins of what are now globalised models of modern childhood and evaluate the problems posed by the structure of emotion and affectivity that surrounds children and childhood by tracing its evolution and indicating some of its unhelpful current effects in recentring white Majority world subjectivities Child as Method provides key contributions to a range of disciplines and debates including developmental psychology critical childhood studies education studies legal studies health and social care and literature
