Speech And Language Assessment For The Bilingual Handicapped:

Speech and Language Assessment for the Bilingual Handicapped Larry J. Mattes, 1991 *Speech and Language Assessment for the Bilingual Handicapped* L.J. Mattes, D.R. Omark, 1985-12 Speech and Language Assessment for the Bilingual Handicapped Larry J. Mattes, Donald R. Omark, 1984-01-01 *Speech and Language Assessment for the Bilingual Handicapped* Larry J. Mattes, Donald R. Omark, 1984-05 **Bilingualism and Language Disability** Niklas Miller, 2013-12-11 Bilingualism and Language Disability (PLE: Psycholinguistics) Nick Miller, 2013-11-12 Society is becoming increasingly multi lingual and this presents monolingual professionals particularly those in special education and speech pathology with severe problems Is the language delay in a child from a bilingual environment a result of this background or is there a specific speech problem Is a child s poor performance in school due to his problems of coping with two languages or does he need remedial teaching Originally published in 1984 this book is not concerned with second language learning but with speech and learning difficulties in bilingual children as they are presented to remedial teachers psychologists and speech therapists To this end the first group of specially written articles deals with the patterns of language usage in bilingual communities and the social and psychological factors which shape these patterns with processes in normal bilingual language acquisition and with the relationship between cognitive development and growing up with two languages Management issues and methods involved in helping children with language problems are also tackled they include taking case histories family liaison counselling bilingual programmes mother tongue teaching curriculum development and the training of personnel to work in the bilingual bicultural field This book provided a great deal of practical help in a field that was relatively new at the time of writing and helped to enlighten readers on the issues involved and assist in crystalising thought and directing future research **Language Disabilities in Cultural and Linguistic Diversity** Deirdre Martin, 2009 *Language Disabilities in Cultural and Linguistic Diversity* offers a new approach to understanding the familiar dilemma of disentangling difficulties in communication for learners developing the language of schooling The author takes a socio cultural Vygotskian approach to reinterpret international research in language disabilities namely specific language impairment communication difficulties dyslexia and deafness Interprofessional Practice with Diverse Populations Allan Barsky, Esther Geva, Fern Westernoff, 2000-08-30 Concepts such as cultural competence multicultural practice and ethnosensitivity have taken root in the literature At the same time concepts such as cross disciplinary transdisciplinary interdisciplinary and interprofessional practice have been articulated Although these two trends coexist in print the literature in the various helping professions does not address whether and how the issues of client diversity and interprofessional practice can come together in productive and better informed ways The present book promises to close this gap and offer health care professionals theoretically grounded examples of best practices The range of diversity includes Native American Taiwanese Portuguese African American Algerian Irish South Asian and gay clients

Working with Bilingual Language Disability Deirdre M. Duncan, 2013-12-20 The decision to write this book was taken by a group of practising speech therapists who worked with bilingually language handicapped children in the UK They formed a professional interest group called the Specific Interest Group in Bilingualism because of the need felt by speech therapists to have some forum for discussing the challenges posed by the assessment and treatment of the bilingually language handicapped In these regular discussion groups it became clear that similar experiences were encountered by all speech therapists working with these client populations up and down the country They centred on managing the linguistic diversity the need for developing mental language information the need for appropriate assessment protocols the recruitment of bilingual staff and appreciating the positive perspective of working in this field In the UK the range of languages is extensive Italian Spanish Portuguese Greek Turkish Polish Ukrainian Hong Kong Chinese Vietnamese Chinese Creole Black English Bengali Gujarati and Panjabi cover the main ethnolinguistic groups In the 1987 ILEA language census over 140 languages were recorded as being spoken in London

Language Assessment and Intervention with Multicultural Students Henriette W. Langdon, Terry Irvine Saenz, 1996 Theoretical Linguistics and Disordered Language (RLE Linguistics B: Grammar)

Martin Ball, 2014-01-10 The rapid increase of interest in disordered speech and language among linguists over the past decade or so has resulted in many books of practical help to speech pathologists in terms of assessment and remediation Little however has appeared to examine the theoretical implications of the interaction between these two fields This book aims to fill this gap by showing how speech pathology can inform linguistic theory and vice versa
