Talking To Angels A Life Spent At High Latitudes:

You Don't Fall Out of the Universe B. J. Jewett, 2022-08-22 A hybrid of memoir and poetry You Don't Fall Out of the Universe navigates what one family endures before and after the unimaginable loss of a son With quiet moments of heartache and resilience Jewett shows the strength in being vulnerable If you think you know how to console someone who's grieving this memoir reveals there's more to learn how our simplest phrases can cause more hurt than healing This book is so many things a means of honoring a son a fierce commitment to family a meditation on grief and an exploration of secular spirituality that offers readers an alternative path through bereavement When enduring such profound loss seems impossible You Don't Fall Out of the Universe asks us to consider survival that the power of nature and mystical elements of the universe could be a part of healing

Russian Postmodernism Mikhail Epstein, Aleksandr Genis, Slobodanka Vladiv-Glover, 1999 The last ten years were decisive for Russia not only in the political sphere but also culturally as this period saw the rise and crystallization of Russian postmodernism The essays manifestos and articles gathered here investigate various manifestations of this crucial cultural trend Exploring Russian fiction poetry art and spirituality they provide a point of departure and a valuable guide to an area of contemporary literary cultural studies which is currently insufficiently represented in English language scholarship A brief but useful Who's Who in Russian Postmodernism as an appendix introduces many authors who have never before appeared in a reference work of this kind and renders this book essential reading for those interested in the latest trends in Russian intellectual life
