Readers' Theater: Tall Tales, 2006-03-27 Readers theater is a powerful tool for developing reading fluency The scripts are designed for a range of reading levels Students have opportunities to read individually in pairs and as a group The scripts do not require costumes props or scenery **Tall Tales**, 1993 Seven tall tales from America Ireland Burma and Syria Includes the legendary Paul Bunyan and Pecos Bill The Irish tale Oona and the giants tells how the wife of one giant outwits another giant Grade I braille 1993 Whoppers Alvin Schwartz, 1975 This collection of the audacious yarns and lies that are part of our folklore tradition is outrageous enough to please the most demanding young liars H **Writing Lab** Nancy Atlee, 2005 Educational title for gifted and advanced learners *Story Stretchers for the Primary Grades* Shirley C. Raines, Robert J. Canady, 1992 A collection of ideas for activities to use in conjunction with over 90 children's books **Tall Tales** Rick Steber, A tall tale begins innocently with convincing facts and a few trivial details thrown in But in the course of the story the limits of believability are stretched to the breaking point In the end we are left wondering how we could have been so naive so darn gullible America's tall tales have been handed down through generations and are firmly rooted in character situation and landscape In the past a skillfully told yarn was a diversion from the drudgery and monotony of everyday life and tellers of tall tales were held in high regard because their stories made people laugh A tall tale is best enjoyed when told aloud Dialect intonation and gestures add to the story A pause here A shake of the head there A practiced laugh A wink a sly smile or a deadpan look provide seasoning and can communicate as much as a well placed word In our modern fast paced world dominated by instant communication changing technology and constant entertainment the tall tale is no longer considered an essential part of everyday life As a result the telling of tall tales has become a dying art form **Jokelore** Ronald L.

Baker, 1986-09-22 extremely valuable enthusiastically recommended Western Folklore These hilarious and slightly off color stories although gathered in Indiana reflect the ancient origin and universality of the joke The chuckle the grin the uncontrolled belly laugh evoked by Jokelore attest to the popularity of this ancient form of folk literature
