Tall Friends:

"How Tall Are You?" Don Doxsie, 2023-04-04 Most people believe that being extremely tall would be fantastic. It isn't. It has its advantages but it also has nearly as many disadvantages. It can be useful in basketball, business and politics and when friends are trying to find you in a crowded place. However, it's also inconvenient, expensive, sometimes harmful to one's health and a little tedious to be bombarded almost daily with questions about how the weather is up there. In this book, the author takes a lighthearted look at the various aspects of extreme height and those affected by it from the perspective of someone who has spent the majority of his life towering above the crowd.

I Get Paid for This Rick Lax, 2012-01-04 Rick Lax has a great gig. What does he do? Whatever he wants. Then he writes about it. He's a stunt journalist in Las Vegas. Rick crashes conventions, throws wild parties and hangs out with celebrities. He moonlights as a strip club restroom attendant, a street magician and a casino executive. And he always takes notes. Now he's ready to share 'em. *I Get Paid For This* offers a one-of-a-kind behind-the-scenes look at the most extraordinary city on Earth.

that made others hush to hear the reply I would take the opportunity to say something anyway even though I didn't have to with a little thought and wit and I make the others laugh at the good old Aussie comebacks being used even the ones that had to have more than a one line And if you could do it in two everyone smiles and so poetry was there in the motion of freely playing the game sharing the fun of showing the humour in good conversation *Friend Olivia* Amelia E.
