

The background of the book cover is a vibrant, ethereal cosmic scene. It features a man and a woman in a close, intimate pose. The man, on the left, has dark, curly hair and is looking down at the woman. The woman, on the right, has long, flowing hair that transitions from a bright green at the roots to a soft blue at the tips. She is looking up at the man. The background is a mix of deep purples, blues, and greens, with wispy, nebula-like patterns and small, glowing white specks that resemble stars or distant galaxies. The overall mood is romantic and otherworldly.

Tower Ken Bruen, Reed Farrel Coleman, 2013-03-12 The author of *Blitz* and the author of the Jesse Stone novels collaborate on a rough and profane read about two childhood friends who become criminals Daniel Woodrell Nick's Irish American father a Brooklyn rent a cop working security in the World Trade Center's North Tower named him after a Hemingway hero The old man must have been expecting a different kind of kid Because like the R B song says Nick was born under a bad sign As aimless as a stray bullet his only constants are Nam movies pulp novels and an unquestioning devotion to his childhood friend Todd a Jewish New York con artist with connections to the Boston mob When Todd inducts Nick into his world of petty crime it starts with reckless fun scoring weed low level stings and burglary But the deeper they sink into the world of the syndicate the more they realize how unknowable a friend can be and how unprepared they are to rescue themselves and their souls from the gutter Alternately telling this brutally poetic story from the perspectives of Nick and Todd award winning noir masters Ken Bruen and Reed Farrel Coleman shine dropping in jokes experimenting and displaying all the literary chops that have made their novels such cult favorites among mystery fans Publishers Weekly **Taming the Singularity** Daniel J. Soeder, 2013-08 Lost any black holes lately Dr Geoffrey Finch used the Large Hadron Collider to illegally but successfully create a miniature singularity but it fell out of the magnetic containment cage and into the Earth when the French power grid suffered a small hiccup Oops Now the black hole is orbiting the Earth's center of mass slowly growing larger It is predicted to consume the entire planet in approximately two years Dr Barney Freeman and U S Navy Lieutenant Nicole Shelton are selected to lead a team of the world's top scientists to stop it They are not even sure how to reach it let alone stop it until coming up with an audacious plan to extract the singularity from deep within the Earth In case they don't succeed governments around the world frantically embark on a space race to build lifeboats to evacuate at least some of humanity off the doomed planet Nikki Shelton eventually finds herself face to face with the singularity and discovers

that taming it may take everything she has and just a bit more **Her Last Call to Louis MacNeice** Ken Bruen,2011-10-04 The author of Blitz and the Jack Taylor novels delivers a fast paced tough and explosive tale of a killer couple The Irish Times Cooper likes Ed McBain novels action movies and robbing banks Released from prison he s back on the outside and in business with another former con They call themselves Righteous Repo It s so legit they even have an accountant It s decent work but not as lucrative as the bank jobs they still pull on the side Not as stimulating either But nothing gets Cooper s blood pumping faster than Cassie an easy all American beauty with a bent for metaphysics Irish poets and taking risks Cassie s also a professional shoplifter slumming at a low end South London shop when Cooper first lays eyes on her After a single hookup comes the catch Now that Cooper s had her he s not allowed to touch another woman He thinks she s quite a joker until he wakes up and finds Cassie s note She drugged him stole his pistol and his cash and left him with another warning She s not through with him Not by a long shot Only death will keep her away so death it must be Cooper and Cassie are made for each other From the award winning author of the Jack Taylor novels Her Last Call to Louis MacNeice delivers pulp with an A level The Guardian once again confirming Bruen as the crime novelist to read George Pelacanos **The 1. 2 % Factor** Bob Davies,2008-08 **Taming the Beast** Mark R. Sneed,2021-11-08 Leviathan a manifestation of one of the oldest monsters in recorded history 3rd millennium BCE and its sidekick Behemoth have been the object of centuries of suppression throughout the millennia Originally cosmic terrifying creatures who represented disorder and chaos they have been converted into the more palatable crocodile and hippo by biblical scholars today However among the earliest Jews and Muslims and possibly Christians these creatures occupied a significant place in creation and redemption history Before that they formed part of a backstory that connects the Bible with the wider ancient Near East When examining the reception history of these fascinating beasts several questions emerge Why are Jewish children today familiar with these creatures while Christian children know next to nothing about them Why do many modern biblical scholars follow suit and view them as minor players in the grand scheme of things Conversely why has popular culture eagerly embraced them assimilating the words as symbols for the enormous More unexpectedly why have fundamentalist Christians touted them as evidence for the cohabitation of dinosaurs and humans Rilke on Black Ken Bruen,2011-10-04 A South London kidnapping goes violently awry in this startlingly original crime novel from the award winning author of The Guards British GQ As pretty well read and available as she was most men would have passed on a foul mouthed jailbait junkie like Lisa Not Nick A bouncer from southeast London he knew what he liked He went in with both eyes open and stayed there even when she burned through his savings and cost him his job Luckily she had an idea for bringing in extra cash kidnap a local African American bar owner a pretentious yoga obsessed Rilke spouting man of means with a white trophy wife He deserved a good punch to the gut However it was Nick s bad idea to bring in his neighbor a clean cut Reba McEntire loving good old boy and psycho to the bone But not one of them anticipated Nick s ex girlfriend Bonny who came in out of the blue with her own agenda to ignite the biggest spark in the plot

The question isn't who's going to fire the first shot. It's who's going to fire the last. Fast paced, tough and pretty sexy. Pulp. Rilke on Black is further proof that the author of the Jack Taylor series has become the crime novelist to read. George Pelecanos Taming Globalization Julian Ku, John Yoo, 2012-03-06 In 1997 a Mexican national named Jose Ernesto Medellin was sentenced to death for raping and murdering two teenage girls in Texas. In 2004 the International Court of Justice ruled that he was entitled to appellate review of his sentence since the arresting officers had not informed him of his right to seek assistance from the Mexican consulate prior to trial as prescribed by a treaty ratified by Congress in 1963. In 2008 amid fierce controversy the U.S. Supreme Court declared that the international ruling had no weight. Medellin subsequently was executed. As Julian Ku and John Yoo show in *Taming Globalization* the Medellin case only hints at the legal complications that will embroil American courts in the twenty-first century. Like Medellin, tens of millions of foreign citizens live in the United States and like the International Court of Justice, dozens of international institutions cast a legal net across the globe from border commissions to the World Trade Organization. Ku and Yoo argue that all this presents an unavoidable challenge to American constitutional law, particularly the separation of powers between the branches of federal government and between Washington and the states. To reconcile the demands of globalization with a traditional formal constitutional structure, they write, we must reconceptualize the Constitution as Americans did in the early twentieth century when faced with nationalization. They identify three mediating devices we must embrace: non-self-execution of treaties, recognition of the President's power to terminate international agreements and interpret international law, and a reliance on state implementation of international law and agreements. These devices will help us avoid constitutional difficulties while still gaining the benefits of international cooperation. Written by a leading advocate of executive power and a fellow Constitutional scholar, *Taming Globalization* promises to spark widespread debate. *The McDead* Ken Bruen, 2012-12-18 Chief Inspector Roberts combs London for the Irish gangster who killed his brother in the most striking and original crime series of the decade. British GQ. With his personal life all but flushed down some deep dark hole, Chief Inspector Roberts is waiting for the next punch to the heart. Working with his Irish partner Detective Sergeant Brant in a London precinct so dangerous even the pit bulls travel in pairs, Roberts is prepared for almost anything just not the murder of his sad and wasted transient brother Tony. The thug responsible for it is an ex-con named Logan who's established himself as the south side's smartest, a master of money laundering, quick hits and outrunning the cops. His only weakness is his temper, and it's about to bring his sordid empire tumbling down. Roberts is going to see to that. Fans of British procedurals and noir novels will savor every speck of grit in this unrelenting crime novel. Booklist. *American Skin* Ken Bruen, 2014-07-01 At the beginning of Bruen's dark tribute to the Irish fascination with the American dream, Stephen Blake is on the run after a bank heist, hoping to disappear in the desert near Tucson. Blake has the money and his girlfriend Siobhan knows how to launder it. All he has to do is change his accent and his skin and pass as an American. But John A. Stapleton, contract killer for the IRA, wants more than his share of the

swag and the psychotic Dade obsessively devoted to the music of Tammy Wynette is wandering the Southwest like a slaughter wagon Noir master Bruen The Guards effortlessly moves his storyline back and forth in time all his trademark pop culture references in place the banshee of existential agony wailing loudly
