Taming The Bureaucrat:

Taming the Bureaucrat Gerald W. Grumet, 2002-10 *Taming the Bureaucrat* Gerald W. Grumet MD, 2011 **Taming the President** Andrea Carati, Andrea Locatelli, 2025-08-18 During his first term in office Donald Trump failed to implement his revolutionary foreign policy agenda To provide a plausible explanation for the multifaceted nature of Trump's foreign policy achievements and shortcomings this book brings together leadership trait analysis and bureaucratic politics to develop a model that frames their interactions and mutual influence **Dealing with Dysfunction** Jorrit de Jong, 2016-09-13 How can we intervene in the systemic bureaucratic dysfunction that beleaguers the public sector De Jong examines the roots of this dysfunction and presents a novel approach to solving it Drawing from academic literature on bureaucracy and problem solving in the public sector and the clinical work of the Kafka Brigade a social enterprise based in the Netherlands dedicated to diagnosing and remedying bureaucratic dysfunction in practice this study reveals the shortcomings of conventional approaches to bureaucratic reform The usual methods have failed to diagnose problems distinguish symptoms or identify root causes in a comprehensive or satisfactory way They have also failed to engage clients professionals and midlevel managers in understanding and addressing the dysfunction that plagues them This book offers conceptual frameworks theoretical insights and practical lessons for dealing with the problem It sets a course for rigorous public problem solving to create governments that can be more effective efficient equitable and responsive to social concerns De Jong argues that successfully remedying bureaucratic dysfunction depends on employing diagnostics capable of distinguishing and dissecting various kinds of dysfunction The Anna Karenina principle applies here all well functioning bureaucracies are alike every dysfunctional bureaucracy is dysfunctional in its own way The author also asserts that the worst dysfunction occurs when multiple organizations share responsibility for a problem but no single organization is primarily responsible for solving it This points to a need for creating and reinforcing distributed problem solving capacity focused on deep cross organizational learning and revised accountability structures Our best approach to dealing with dysfunction may therefore not be top down regulatory reform but rather relentless bottom up and cross boundary leadership and innovation Using fourteen clinical cases of bureaucratic dysfunction investigated by the Kafka Brigade the author demonstrates how a proper process for identifying defining diagnosing and remedying the problem can produce better outcomes *Cops, Soldiers, and Diplomats* Tony Payan, 2006-01-01 *Cops Soldiers and Diplomats* is an exceptionally clear exposition of bureaucratic behavior amongst various agencies as each responded to the challenges of the War on Drugs Chapter by chapter author Tony Payan exposes the bureaucratic imperatives of the numerous agencies waging the drug war uncovering some of the fundamental structural reasons why this war could not succeed within the United States fragmentation competition duplication jealousy turf wars information hiding and ultimate failure Payan's work will be certain to find an audience with politicians and policy makers students of sociology and criminology and any one interested in the drug war **The Politics of Bureaucracy** B. Guy

Peters,2014-05-30 This exploration of the political and policy making roles of public bureaucracies offers comparative analysis of the effects of politics on bureaucracy including international case studies on North America Western and Eastern European and Asian countries discussion of how governments have been developing strategies to enhance co ordination and coherence across their programmes analysis of the use of performance management in public administration and revision and updating to take into account new literature that has emerged in recent years including a discussion of E Governance and analysis of new public management The State of Public Bureaucracy Larry B. Hill,2020-07-09 The authors explore

the many ways that gender and communication intersect and affect each other Every chapter encourages a consideration of how gender attitudes and practices past and current influence personal notions of what it means not only to be female and male but feminine and masculine The second edition of this student friendly and accessible text is filled with contemporary examples activities and exercises to help students put theoretical concepts into practice **Bureaucracy and Democracy:**

Accountability and Performance 3E William T Gormley,Steven J Balla,2013 Given the influence and impact of public bureaucracies in policy implementation and the accountability they owe to the American public their performance must be assessed in a systematic manner With this new edition the authors revisit their four key perspective bounded rationality principal agent theory interest group mobilization and network theory to help students develop an analytic framework for comprehensively evaluating bureaucratic performance **Taming the Bureaucracy** William T. Gormley,1989-01-01

The Politics of Bureaucracy ,2018-04-19 Written by B Guy Peters a leading authority in the field this comprehensive exploration of the political and policy making roles of public bureaucracies is now available in a fully revised seventh edition offering extensive well documented comparative analysis of the effects of politics on bureaucracy Updates to this edition include All new coverage of public administration in Latin America and Africa with special attention paid to the impact of New Public Management and other ideas for reform An examination of the European Union and its effects on public policy and public administration in member countries as well as an exploration of the EU as a particular type of bureaucracy A renewed emphasis on coordination and the role of central agencies A thorough assessment of internationalization of bureaucracies and concerns with the role of international pressures on domestic governments and organizations in the public sector Coverage of the wide ranging impacts of the 2008 economic slowdown on public bureaucracies and public policies and the varied success of governmental responses to the crisis Drawing on evidence from a wide variety of political systems The Politics of Bureaucracy Seventh Edition continues to be essential reading for all students of government policy analysis politics and international relations
