

The book cover features a collage of three images. The top image shows a lush green tropical forest with palm trees. The middle image, separated by a torn paper effect, shows a construction site with a yellow bulldozer and a large pile of earth. The bottom image, also separated by a torn paper effect, shows an industrial facility with two tall smokestacks emitting white smoke. The title 'Taming the Great South Land' is written in a large, white, serif font across the top image. The subtitle 'A History of the Conquest of Nature in Australia' is written in a smaller, white, serif font inside a red oval on the top image. The author's name 'WILLIAM J. LINES' and the foreword information 'With a foreword by DAVID SUZUKI' are written in a white, serif font on a dark blue rectangular background at the bottom.

Taming the Great South Land

A History of the
Conquest of
Nature in Australia

WILLIAM J. LINES

With a foreword by
DAVID SUZUKI

Taming The Great South Land

Deborah Bird Rose

Taming The Great South Land:

Taming the Great South Land William J Lines, William J. Lines, 1991-01-01 Taming the Great South Land is the first full length landscape history of an entire continent occupied by one nation It is also in William Lines s telling a brutal and controversial story Examining the ways European society rapidly radically transformed Australia s physical and human landscapes the author writes candidly of repeated environmental devastation from the early slaughter of seals and whales to the destructive spread of sheep through gold rushes and land settlement to British nuclear tests and the modern mining and timber industries Lines shows how Enlightenment ideas of progress economic growth and development were reconstructed on Australian soil and how the promise of the conquest of nature became a mockery in fact resulting in the mass dislocation and destruction of indigenous populations This shocking narrative thoroughly researched and accessibly written combines environmental social and political history to hard hitting effect Taming the Great South Land is the first full length landscape history of an entire continent occupied by one nation It is also in William Lines s telling a brutal and controversial story Examining the ways European society rapidly radically transformed Australia s physical and human landscapes the author writes candidly of repeated environmental devastation from the early slaughter of seals and whales to the destructive spread of sheep through gold rushes and land settlement to British nuclear tests and the modern mining and timber industries Lines shows how Enlightenment ideas of progress economic growth and development were reconstructed on Australian soil and how the promise of the conquest of nature became a mockery in fact resulting in the mass dislocation and destruction of indigenous populations This shocking narrative thoroughly researched and accessibly written combines environmental social and political history to hard hitting effect

Out Of The Woods Char Miller, Hal Rothman, 2014-08-13 Through the pages of Environmental History Review now Environmental History an entire discipline has been created and defined over time through the publication of the finest scholarship by humanists social and natural scientists and other professionals concerned with the complex relationship between people and our global environment Out of the Woods gathers together the best of this scholarship Covering a broad array of topics and reflecting the continuing diversity within the field of environmental history Out of the Woods begins with three theoretical pieces by William Cronon Carolyn Merchant and Donald Worster probing the assumptions that underlie the words and ideas historians use to analyze human interaction with the physical world One of these the concept of place is the subject of a second group of essays The political context is picked up in the third section followed by a selection of some of the journal s most recent contributions discussing the intersection between urban and environmental history Water s role in defining the contours of the human and natural landscape is undeniable and forms the focus of the fifth section Finally the global character of environmental issues emerges in three compelling articles by Alfred Crosby Thomas Dunlap and Stephen Pyne Of interest to a wide range of scholars in environmental history law and politics Out of the Woods is intended as a reader for course use and a benchmark for the field of environmental history as it

continues to develop into the next century **In Search of the Never-Never** Ann McGrath, 2019-04-09 Mickey Dewar made a profound contribution to the history of the Northern Territory which she performed across many genres She produced high quality memorable and multi sensory histories including the Cyclone Tracy exhibition at the Museum and Art Gallery of the Northern Territory and the reinterpretation of Fannie Bay Gaol Informed by a great love of books her passion for history was infectious As well as offering three original chapters that appraise her work this edited volume republishes her first book *In Search of the Never Never* In Dewar s comprehensive and incisive appraisal of the literature of the Northern Territory she provides brilliant often amusing insights into the ever changing representations of a region that has featured so large in the Australian popular imagination *Taming the Great South Land* William Lines, 1998 *La Niña and the Making of Climate Optimism* Julia Miller, 2019-07-12 This book examines the deep connection Australians have with their climate to understand contemporary views on human induced climate change It is the first study of the Australian relationship with La Niña and it explains how fundamental this relationship is to the climate change debate both locally and globally While unease with the Australian environment was a hallmark of early settler relations with a new continent this book argues that the climate itself quickly became a source of hope and linked to progress Once observed weather patterns coalesced into recognizable cycles of wet and dry years and Australians adopted a belief in the certainty of good seasons It was this optimistic response to climate linked to La Niña that laid the groundwork for this relationship with the Australian environment This book will appeal to scholars and students of the environmental humanities history and science as well as anyone concerned about climate change **Power and Control in the Imperial Valley** Benny J Andrés, 2014-11-22 Power and Control in the Imperial Valley examines the evolution of irrigated farming in the Imperial Mexicali Valley an arid desert straddling the California Baja California border Bisected by the international boundary line the valley drew American investors determined to harness the nearby Colorado River to irrigate a million acres on both sides of the border The conquest of the environment was a central theme in the history of the valley Colonization in the valley began with the construction of a sixty mile aqueduct from the Colorado River in California through Mexico Initially Mexico held authority over water delivery until settlers persuaded Congress to construct the All American Canal Control over land and water formed the basis of commercial agriculture and in turn enabled growers to use the state to procure inexpensive plentiful immigrant workers *Environment and Empire* William Beinart, Lotte Hughes, 2007-10-11 This volume uncovers the interaction between people and the elements in very different British colonies throughout the world Providing a rich overview of socio environmental change driven by imperial forces this study examines a key global historical process **Reports from a Wild Country** Deborah Bird Rose, 2004 Explores some of Australia s major ethical challenges Written in the midst of rapid social and environmental change and in a time of uncertainty and division it offers powerful stories and arguments for ethical choice and commitment The focus is on reconciliation between Indigenous and Settler peoples and with nature *Against Extinction* William (Bill)

Adams,2013-06-17 Conservation in the 21st century needs to be different and this book is a good indicator of why Bulletin of British Ecological Society Against Extinction tells the history of wildlife conservation from its roots in the 19th century through the foundation of the Society for the Preservation of the Wild Fauna of the Empire in London in 1903 to the huge and diverse international movement of the present day It vividly portrays conservation s legacy of big game hunting the battles for the establishment of national parks the global importance of species conservation and debates over the sustainable use of and trade in wildlife Bill Adams addresses the big questions and ideas that have driven conservation for the last 100 years How can the diversity of life be maintained as human demands on the Earth expand seemingly without limit How can preservation be reconciled with human rights and the development needs of the poor Is conservation something that can be imposed by a knowledgeable elite or is it something that should emerge naturally from people s free choices These have never been easy questions and they are as important in the 21st century as at any time in the past The author takes us on a lively historical journey in search of the answers

Dreaming Ecology Deborah Bird Rose,2024-05-07 In the author s own words Dreaming Ecology explores a holistic understanding of the interconnections of people country kinship creation and the living world within a context of mobility Implicitly it asks how people lived so sustainably for so long It offers a telling critique of the loss of Indigenous life human and non human in the wake of white settler colonialism and this becoming cattle country It offers a fresh perspective on nomadics grounded in footwalk epistemology and an ethics of return sustained across different species events practices and scales This is the final and most substantial of Debbie s love letters to the Aboriginal people of the Victoria River Downs I say this because there is such a sense of reverence wonder and respect throughout the book The introduction of concepts of double death footwalk epistemology wild country are not only organising ideas but characterisations arising from what Debbie hears sees and feels of herself and Aboriginal others I think of it in terms of love if love is care reciprocal respect deep connectivity and a strong desire to never make less of the people she chose to commit herself to Richard Davis This book was a pleasure to read filled with careful description of people places and various plants and animals and insightful analysis of the patterns and commitments that hold them together in the world Thom van Dooren

This is likewise one of the factors by obtaining the soft documents of this **Taming The Great South Land** by online. You might not require more get older to spend to go to the ebook creation as competently as search for them. In some cases, you likewise pull off not discover the publication Taming The Great South Land that you are looking for. It will certainly squander the time.

However below, subsequently you visit this web page, it will be appropriately entirely easy to get as skillfully as download guide Taming The Great South Land

It will not believe many epoch as we explain before. You can attain it while sham something else at house and even in your workplace. hence easy! So, are you question? Just exercise just what we find the money for under as with ease as review **Taming The Great South Land** what you bearing in mind to read!

Taming The Great South Land Introduction

In the digital age, access to information has become easier than ever before. The ability to download Taming The Great South Land has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Taming The Great South Land has opened up a world of possibilities. Downloading Taming The Great South Land provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Taming The Great South Land has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Taming The Great South Land. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Taming The Great South Land. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Taming The Great South Land, users should also consider the potential security risks associated with online

platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Taming The Great South Land has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Taming The Great South Land Books

1. Where can I buy Taming The Great South Land books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
