Guarded Desire: He was hired to protect her life. He never expected she'd become his weakness. Eduardo built his empire on control. As the cold calculating CEO of Orion Security, he's used to eliminating threats, not falling for them. But when Cissa, a gorgeous influencer and ambitious entrepreneur, becomes the target of a dangerous stalker, everything he's built starts to crumble. Cissa doesn't trust anyone, especially not the brooding billionaire assigned to watch her every move. She's fiery, impulsive, and refuses to be caged, even when her life depends on it. But the closer Eduardo gets to protecting her, the harder it becomes to keep his distance. What starts as a job turns into an obsession; neither of them can escape. And in a world filled with lies, danger, and forbidden attraction, trust may be the most dangerous weapon of all. *Taming the Dragon Prince* Aurelia Thornefield, Kali Dracino, a skilled and fearless dragon tamer, has spent her entire life training dragons in her valley. No dragon has ever been too wild or too powerful for her to handle. But when her next mission takes an unexpected turn, she finds herself tasked with a very different challenge: taming a prince. Prince Camden Acker has spent his life living in the shadow of a prophecy that foretells his rise as a Dragon Prince. All he needs to do is find a dragon partner in the Rite of Passage, but when Kali is assigned as his guide, the last thing he expected was to have a woman fierce and wild like the dragons. As they journey through dangerous lands, facing ancient magic, mythical creatures, and tests of strength, their bond grows. Kali must not only tame a prince but also help him discover his true power, while Camden must confront his own doubts and embrace his destiny. *Taming the Dragon Prince* is a tale of adventure, magic, and unlikely alliances where a dragon tamer and a prince must face their greatest fears together and discover what it means to tame not only dragons but each other's hearts. He wants her in every way possible until she finally has the guts to put an end to her misery and poison the Alpha for an escape. Five years later, she's now a mother of triplets and a successful architect in the human world when she receives a letter from their company's competitor with a mark of her dark past. Did the Alpha survive his death? And will he put Faith's life in hell again? What if he finds out about the triplets?
