Tang China The Rise Of The East In World History:

T'ang China S. Adshead,2004-07-29 This book presents a picture focused on the T ang period one of China s acknowledged golden ages Within a looser web of globalization the T ang period and its dynamics offers a distant mirror of our own time An argument in world history may thus cast light on issues in contemporary politics **T'ang China** Samuel Adrian M. Adshead,2004-10-29 China s role in world history has been controversial especially as seen through an economic lens This book presents an alternative interpretation of that role less exclusively economic more broadly based and focused on the T ang period one of China s acknowledged golden ages It shows how a different China Buddhist or Taoist rather than Confucian aristocratic as much as meritocratic achieved through openness to the outside world and partnership with its elites a multiple preeminence in politics economics society and the intellect not unlike that enjoyed by the United States today Within a looser web of globalization the T ang period and its dynamics offers a distant mirror of our own time casting a new light on issues in contemporary politics **The Jiankang Empire in Chinese and World History** Andrew

Chittick,2020-02-28 This work offers a sweeping re assessment of the Jiankang Empire 3rd 6th centuries CE known as the Chinese Southern Dynasties It shows how although one of the medieval world s largest empires Jiankang has been rendered politically invisible by the standard narrative of Chinese nationalist history and proposes a new framework and terminology for writing about medieval East Asia The book pays particular attention to the problem of ethnic identification rejecting the idea of ethnic Chinese and delineating several other more useful ethnographic categories using case studies in agriculture foodways and vernacular languages The most important the Wuren of the lower Yangzi region were believed to be inherently different from the peoples of the Central Plains and the rest of the book addresses the extent of their ethnogenesis in the medieval era It assesses the political culture of the Jiankang Empire emphasizing military strategy institutional cultures and political economy showing how it differed from Central Plains based empires while having significant similarities to Southeast Asian regimes It then explores how the Jiankang monarchs deployed three distinct repertoires of political legitimation vernacular Sinitic universalist and Buddhist arguing that the Sinitic repertoire was largely eclipsed in the sixth century rendering the regime yet more similar to neighboring South Seas states The conclusion points out how the research re orients our understanding of acculturation and ethnic identification in medieval East Asia generates new insights into the Tang Song transition period and offers new avenues of comparison with Southeast Asian and medieval European history

The 'Global' and the 'Local' in Early Modern and Modern East Asia Benjamin A. Elman,Chao-Hui Jenny Liu,2017-01-09 The Global and the Local in Early Modern and Modern East Asia presents a unique set of historical perspectives by scholars from two important universities in the East Asian region The University of Tokyo T dai and Fudan University along with East Asian Studies scholars from Princeton University Two of the essays address the international leanings in the histories of their respective departments in Todai and Fudan The rest of the essays showcase how such thinking about the global and local

histories have borne fruit as the scholars of the three institutions contributed essays arguing about the philosophies methodologies and or perspectives of global history and how it relates to local stories Authors include Benjamin Elman Haneda Masashi and Ge Zhaoguang *Premodern Travel in World History* Stephen Gosch, Peter Stearns, 2007-12-12 Featuring some of the greatest travellers in human history this survey uses succinct accounts of the most epic journeys in the premodern world as lenses through which to examine the development of early travel trade and cultural interchange *A History of East Asia* Charles Holcombe, 2017-01-11 Charles Holcombe begins by asking the question what is East Asia In the modern age many of the features that made the region now defined as including China Japan Korea and Vietnam distinct have been submerged by the effects of revolution politics or globalization Yet as an ancient civilization the region had both an historical and cultural coherence This shared past is at the heart of this ambitious book which traces the story of East Asia from the dawn of history to the twenty first century The second edition has been imaginatively revised and expanded to place emphasis on cross cultural interactions and connections both within East Asia and beyond with new material on Vietnam and modern pop culture The second edition also features a Chinese character list additional maps and new illustrations The Essentials of Governance Wu Jing, 2021-01-21 Wu Jing's eighth century collection of dialogues between Emperor Taizong and his officials is a seminal work in Chinese literature addressing core themes of East Asian thinking about the politics of power This accessible translation will be indispensable for students of East Asian and international political thought **A Global Chronology of Conflict** Spencer C. Tucker, 2009-12-23 This monumental six volume resource offers engaging entries of major diplomatic military and political events driving world conflicts from ancient times to the present Now from ABC CLIO long regarded as a premier publisher of military history comes a monumental resource that encapsulates the entire scope of conflict among human societies Spanning nearly five millennia from the earliest documented fighting to the present *A Global Chronology of Conflict From the Ancient World to the Modern Middle East* provides a comprehensive survey of major military events With coverage that reaches beyond the battles this work examines the political and diplomatic forces driving world conflicts revolutions forced changes of governments international treaties and acts of aggression and terrorism Written by acclaimed military historian Spencer C Tucker these six chronologically organized volumes offer an accessible richly detailed timeline of military conflict across human history The concise entries cover all important events on the battlefield and in the corridors of power with special features highlighting hundreds of key leaders and weapon systems From specific data on casualties to coverage of evolving weapons technology to insightful analyses of the social impact of war *A Global Chronology of Conflict* is an essential resource for students researchers history buffs and general readers alike A Tale of Two Stūpas Albert Welter, 2022 In *A Tale of Two Stūpas* Albert Welter tells the story of Hangzhou Buddhism through the conceptions erections and resurrections of Yongming Stupa dedicated to the memory of one of Hangzhou's leading Buddhist figures and Leifeng Pagoda built to house stupa relics of the historical Buddha Song Dynasty ,
