He's a Stud, She's a Slut, and 49 Other Double Standards Every Woman Should Know Jessica Valenti,2009-07-31 Double standards are nothing new Women deal with them every day Take the common truism that women who sleep around are sluts while men are studs Why is it that men grow distinguished and sexily gray as they age while women just get saggy and haggard Have you ever wondered how a young woman is supposed to both virginal and provocatively enticing at the same time Isn't it unfair that working moms are labeled bad for focusing on their careers while we shake our heads in disbelief when we hear about the occasional stay at home dad In 50 Double Standards Every Woman Should Know Jessica Valenti author of Full Frontal Feminism calls out the double standards that affect every woman Whether Jessica is pointing out the wage earning discrepancies between men and women or revealing all of the places that women

still aren't equal to their male counterparts be it in the workplace courtroom bedroom or home she maintains her signature wittily sarcastic tone With sass humor and in your face facts this book informs and equips women with the tools they need to combat sexist comments topple ridiculous stereotypes girls aren't good at math and end the promotion of lame double standards There's More Than Corn Harold Straugh,2018-11-09 29 Short Stories all based out of Indiana From werewolves to vampires to things never even heard of before Just know in Indiana there's more than corn **Postgate** John O'Connor,2019-11-05 The conventional wisdom of Watergate is turned on its head by Postgate revealing that the Post did not uncover Watergate as much as it covered it up The Nixon Administration itself involved in a coverup was the victim of a journalistic smoke screen that prevented mitigation of its criminal guilt As a result of the paper's successful misdirection today's strikingly deceptive partisan journalism can be laid at the doorstep of the Washington Post After Deep Throat's lawyer author John O'Connor discovered that the Post had betrayed his client while covering up the truth about Watergate his indefatigable research resulted in Postgate a profoundly shocking tale of journalistic deceit In an era when numerous modern media outlets rail about the guilt of their political enemies for speaking untruths Postgate proves that the media can often credibly be viewed as the party actually guilty of deception Americans today mistrust the major media more than ever Postgate will prove that this distrust is richly deserved The Mysteries of Watergate John O'Connor,2022-06-30 Watergate our great national nightmare in the words of President Gerald Ford was the most impactful scandal in American and perhaps world history Yet even those who believe they have studied Watergate fully could never understand the purpose of this puzzling burglary of DNC headquarters with no meaningful information to gain and Nixon far ahead in the polls In easily accessible vignettes The Mysteries of Watergate will unpack factual narratives and solid inferences that will astound the reader John O'Connor's rendition will add to prior research into heretofore unknown occurrences putting all revisionist knowledge into one coherent understandable whole Even more explosively he has for the first time by any observer in fifty years deeply examined the three thousand Post Watergate articles and its subsequent publications to show how deeply false and flawed this journalism was He also will offer the first comprehensive understanding of Deep Throat's true motives Since this reporting won a Pulitzer Prize and is the template for all subsequent investigative reporting this book profoundly shakes the foundation of the modern mainstream media project The Mysteries of Watergate is a must read for anyone interested in the way modern society shapes its historical narratives **The Single Sister Experiment** Mimi Jefferson,2009-03-31 Discovering that she is not living life according to God's standards Joan Dallas participates in an experiment that calls into question the sexual choices she has made Reprint **Secret Agenda** Jim Houghan,2022-04-26 The exposé that reveals a prostitution ring heavy CIA involvement spying on the White House as well as on the Democrats and plots within plots The Washington Post Ten years after the infamous Watergate scandal that brought down the Nixon presidency Jim Houghan then the Washington editor of Harper's Magazine set out to write a profile of Lou Russell a boozy private eye who plied his trade

in the vice driven underbelly of the nation's capital Hougan soon discovered that Russell was the sixth man the one who got away when his boss veteran CIA officer Jim McCord led a break in team into a trap at the Watergate Using the Freedom of Information Act to win the release of the FBI's Watergate investigation some thirty thousand pages of documents that neither the Washington Post nor the Senate had seen Hougan refuted the orthodox narrative of the affair Armed with evidence hidden from the public for more than a decade Hougan proves that McCord deliberately sabotaged the June 17 1972 burglary None of the Democrats' phones had been bugged and the spy team's ostensible leader Gordon Liddy was himself a pawn at once guilty and oblivious The power struggle that unfolded saw E Howard Hunt and Jim McCord using the White House as a cover for an illicit domestic intelligence operation involving call girls at the nearby Columbia Plaza Apartments A New York Times Notable Book Secret Agenda presents some valuable new evidence and explored many murky corners of our recent past The questions Hougan has posed here and some he hasn't certainly deserve an answer The New York Times Book Review Kirkus Reviews declared the book a fascinating series of puzzles with all the detective work laid out
