Tara Emibary Of Light:

Tara Barbara McDougall,1998 *The Oc Tara Tides* Adrian Shaun Bates,2024-03-19 Following the nuclear fallout of an event known as The Collapse survivors in the Welsh hamlet of Tragumna have managed to rebuild peaceful lives for themselves through community caring for crops and livestock and living off the land This tranquility however is jeopardized by the looming threats of plague and invasion Thus Tegwynn Galander must travel to the island now known as Fa l to meet its leaders and request that Tragumna s people be allowed to resettle there On Fa l also grows a special medicinal plant one needed to treat the chronic radiation burns of Teg s friend Vanessa whose condition constantly risks worsening But Fa l will be more than just a difficult journey through the wilderness Strange individuals some benevolent some dangerous await Teg on his journey as do romance an awakening to esoteric spirituality and encounters with beings straight from Celtic folklore In the end Teg s quest may force him to brave horizons even further than Fa l ones of which he had never previously even dreamed *Chandra and Tara: Genesis of Chandravansh* H. S. Singh,2017-12-29 This stunning epic like fiction book covers a story of Chandra and Tara whose descendants ruled India Buddha the son of Chandra and Tara was a progenitor of Chandravanshi kings Except for a few most of the kings mentioned in the oldest book Rigveda were their descendants The story of Tarawife of Brihaspati who eloped with Chandra and conceived his seed to produce progenitor of Chandravansh who ruled India for thousands of years is interesting to the readers Pururava son of Buddha and Ila and the first Chandravanshi emerged as the most powerful king at Pratisthan who protected Devas from Asuras This is a story of courage adventure and the bravery of Vaivaswat Manu the creator of Aryavart giver of social and religious law the Manusmriti and his journey to establish the kingdoms of the Aryans to spread the Vedic culture The authors pure intention is to present an image of prehistory in a form of a fictional story The Puranic facts are not distorted but the gaps are logically dramatized so that the readers develop an imagination of a branch of the Aryans world that existed after the great flood *Queen Tara* Darrell Figgis,1913 **The Silver Hand of Tara** Michael Dunn,2025-12-01 Finn is chosen by a relic he never wanted The Silver Hand of Tara is older than kings older than stories and bound to debts that refuse to die It sears itself into him marking him as heir to battles that once shattered Ireland and to enemies that never truly slept What begins as a burden becomes a test of will The Hand whispers of power but hungers for ruin To master it Finn must walk a path through watching forests restless cairns and shadows that feed on broken promises Allies gather but trust is thin Each carries scars that remind them the land keeps its own account and every oath has a cost If Finn fails the island will break again If he endures he may yet turn a curse into something greater The Silver Hand of Tara begins a saga where myth is not past but present and where survival is only the first step toward becoming more than human **The Prophecy of Tara** R.L.
