Taras Bulba And Other Tales:

Taras Bulba and Other Tales Nikolai Vasilievich Gogol, 2020-09-28 Russian literature so full of enigmas contains no greater creative mystery than Nikolai Vasil evich Gogol 1809 1852 who has done for the Russian novel and Russian prose what Pushkin has done for Russian poetry Before these two men came Russian literature can hardly have been said to exist It was pompous and effete with pseudo classicism foreign influences were strong in the speech of the upper circles there was an over fondness for German French and English words Between them the two friends by force of their great genius cleared away the debris which made for sterility and erected in their stead a new structure out of living Russian words The spoken word born of the people gave soul and wing to literature only by coming to earth the native earth was it enabled to soar Coming up from Little Russia the Ukraine with Cossack blood in his veins Gogol injected his own healthy virus into an effete body blew his own virile spirit the spirit of his race into its nostrils and gave the Russian novel its direction to this very day More than that The nomad and romantic in him troubled and restless with Ukrainian myth legend and song impressed upon Russian literature faced with the realities of modern life a spirit titanic and in clash with its material and produced in the mastery of this every day material commonly called sordid a phantasmagoria intense with beauty A clue to all Russian realism may be found in a Russian critic's observation about Gogol Seldom has nature created a man so romantic in bent yet so masterly in portraying all that is unromantic in life But this statement does not cover the whole ground for it is easy to see in almost all of Gogol's work his free Cossack soul trying to break through the shell of sordid to day like some ancient demon essentially Dionysian So that his works true though they are to our life are at once a reproach a protest and a challenge ever calling for joy ancient joy that is no more with us And they have all the joy and sadness of the Ukrainian songs he loved so much Ukrainian was to Gogol the language of the soul and it was in Ukrainian songs rather than in old chronicles of which he was not a little contemptuous that he read the history of his people Time and again in his essays and in his letters to friends he expresses his boundless joy in these songs O songs you are my joy and my life How I love you What are the bloodless chronicles I pore over beside those clear live chronicles I cannot live without songs they reveal everything more and more clearly oh how clearly gone by life and gone by men The songs of Little Russia are her everything her poetry her history and her ancestral grave He who has not penetrated them deeply knows nothing of the past of this blooming region of Russia

Taras Bulba Nikolai Gogol, 2020-04-26 *Taras Bulba* is a magnificent story portraying the life of the Ukrainian Cossacks who lived by the Dnieper River in the sixteenth century. Taras Bulba is an old and hardened warrior who feels a little rusty from lack of action. When his two sons return from school at Kiev, he eagerly takes them to the setch, the camping and training island of the Cossacks. There they spend their time drinking and remembering old glories. It happens, however, that the Cossacks are going through an uneasy truce with their Turkish hegemonies and the Tartar horsemen. Taras Bulba, always the warmonger, harangues the Cossacks, engineers a change in leadership, and leads them to attack the Catholic Poles. The Cossacks ride West, destroying everything they meet with extraordinary brutality. Finally, they lay siege to a walled city, but Andrew, Taras's younger son, discovers that the woman he loves is inside. A masterful and brutal story of the horrors of war.

Taras Bulba Nikolai Gogol, 2020-03-28 Turn round my boy! How ridiculous you look! What sort of a priest's cassock have you got on? Does everybody at the academy dress like that? With such words did old Bulba greet his two sons, who had been absent for their education at the Royal Seminary of Kiev and had now returned home to their father. His sons had but just dismounted from their horses. They were a couple of stout lads who still looked bashful as became youths recently released from the seminary. Taras Bulba Nikolai Vasil'evich Gogol', 1972 **Taras Bulba and Other Tales** Nikolai Gogol, 2020-04 Turn round my boy! How ridiculous you look! What sort of a priest's cassock have you got on? Does everybody at the academy dress like that? With such words did old Bulba greet his two sons, who had been absent for their education at the Royal Seminary of Kiev and had now returned home to their father. His sons had but just dismounted from their horses. They were a couple of stout lads who still looked bashful as became youths recently released from the seminary. Their firm, healthy faces were covered with the first down of manhood, down which had as yet never known a razor. They were greatly discomfited by such a reception from their father and stood motionless with eyes fixed upon the ground. Stand still! Stand still! Let me have a good look at you, he continued, turning them around. How long your gaberdines are! What gaberdines! There never were such gaberdines in the world before. Just run, one of you! I want to see whether you will not get entangled in the skirts and fall down.
