Tarde De Circo:

Poesía infantil Pedro C. Cerrillo Torremocha, Jaime García Padrino, 1990 Los trabajos que se incluyen en el presente libro fueron expuestos por sus autores en el Curso de Verano que con el mismo título organizó en Cuenca el Vicerrectorado de Extensión Universitaria de Castilla La Mancha del 11 al 13 de julio de 1990 En el libro se abordan distintos aspectos y problemas sobre la creación, promoción y difusión de la poesía infantil así como la actual preocupación social por la poesía de carácter infantil en un intento conjunto de sentar unas mínimas bases para la reflexión crítica y el debate sobre los principales aspectos de la relación del niño con la poesía Valentina's Dream Ted Lien, 2011-12-07 Inspired I believe by my heavenly father this story came to me in my sleep Valentina had a dream She was born with a severe physical handicap there was no way she could accomplish that dream or could she Read how Valentina goes through surgery and months of treatment determined to reach her dream Valentina must overcome obstacles on her journey Wait the ending is not exactly what you might expect Kids of any age are sure to enjoy this book **Folk-Lore of West and Mid-Wales** Jonathan Ceredig Davies, 2009-01-01 Welsh folk lore is almost inexhaustible and of great importance to the historian and others Indeed without a knowledge of the past traditions customs and superstitions of the people the history of a country is not complete In this book I deal chiefly with the three counties of Cardiganshire Carmarthenshire and Pembrokeshire technically known in the present day as West Wales but as I have introduced so many things from the counties bordering on Cardigan and Carmarthen such as Montgomery Radnor Brecon etc I thought proper that the work should be entitled The Folk Lore of West and Mid Wales Although I have been for some years abroad in Patagonia and Australia yet I know almost every county in my native land and there is hardly a spot in the three counties of Carmarthen Cardigan and Pembroke that I have not visited during the last nine years gathering materials for this book from old people and others who were interested in such subject spending three or four months in some districts All this took considerable time and trouble not to mention of the expenses in going about but I generally walked much especially in the remote country districts but I feel I have rescued from oblivion things which are dying out and many things which have died out already I have written very fully concerning the old Welsh Wedding and Funeral Customs and obtained most interesting account of them from aged persons The Bidder's Song by Daniel Ddu which first appeared in the Cambrian Briton 1822 is of special interest Mrs Loxdale of Castle Hill showed me a fine silver cup which had been presented to this celebrated poet I have also a chapter on Fairies but as I found that Fairy Lore has almost died out in those districts which I visited and the traditions concerning them already recorded I was obliged to extract much of my information on this subject from books though I found a few new fairy stories in Cardiganshire But as to my chapters about Witches Wizards Death Omens I am indebted for almost all my information to old men and old women whom I visited in remote country districts and I may emphatically state that I have not embellished the stories or added to anything I have heard and care has been taken that no statement be made conveying an idea different from what has been heard Indeed I

have in nearly all instances given the names and even the addresses of those from whom I obtained my information If there are a few Welsh idioms in the work here and there the English readers must remember that the information was given me in the Welsh language by the aged peasants and that I have faithfully endeavoured to give a literal rendering of the narrative About 350 ladies and gentlemen have been pleased to give their names as subscribers to the book and I have received kind and encouraging letters from distinguished and eminent persons from all parts of the kingdom and I thank them all for their kind support I have always taken a keen interest in the History and traditions of my native land which I love so well and it is very gratifying that His Royal Highness the young Prince of Wales has so graciously accepted a genealogical table in which I traced his descent from Cadwaladr the Blessed the last Welsh prince who claimed the title of King of Britain **52**

Emily Dickinson's poetry is known and read worldwide but to date there have been no studies of her reception and influence outside America. This collection of essays brings together international research on her reception abroad including translations, circulation and the responses of private and professional readers to her poetry in different countries. The contributors address key translations of individual poems and lyric sequences, Dickinson's influence on other writers, poets and culture more broadly, biographical constructions of Dickinson as a poet, the political, cultural and linguistic contexts of translations and adaptations into other media. It will appeal to all those interested in the international reception of Dickinson and nineteenth-century American literature more widely. **La historia de Afonso Rodrigues** Reinaldo Edmundo

Marchant, 2017. En sus relatos los cracks provienen de suburbios. Traen la rebeldía al talento y la irreverencia a flor de pies. Son náufragos aferrados desesperadamente a un balón milagroso que haré estallar de alegría a estadios colmados de hinchas para quedar en la memoria colectiva. La pelota y sus circunstancias se plasman con agilidad, lucidez y de un seductor encanto que con brochazos precisos retratan la intimidad del hombre en una cancha. Cuentos inolvidables como Lamento por Manuel Araya, Crónica del enano bueno para la pelota o La diosa del Bambino de Oro generan un encuentro del lector con esas historias sagazmente contadas que contienen el camino donde las alegrías y adversidades son una tentativa común.

Vientos de Ayer Teresa Pérez, 2013-03. Parecían dos figuras extrañas en el rompiente de la madrugada, quietas, oscuras, sus capas verdes y un afán de parecer temerosas a la justicia de los hombres. Una hilera de humo blanco brotaba de la chimenea de la pequeña chabola; se podía apreciar que los gitanos habían marchado no hacía demasiado tiempo. Errantes, lentos, continuaban con sus vidas como siempre; su justicia, la de estos hombres, debían ser respetadas por todos; eran sus leyes y eran sagradas. La noche de Diciembre resultaba tan fría como quejido ladino que se asolapaba para ser más penetrable, haciendo crujir los huesos. El llanto de un niño escapaba a la sombra de aquel amanecer con la mirada de sus hermano que parecía haberse rasgado sus ojos intentando comprender qué sucedía. Por qué padre no se movía, madre inclinada sobre él, lloraba mientras acariciando su rostro que quedaba frío como aquella mañana de Diciembre. *La Ciudad de Dios*, 1927.
