Target Joy A Search For Truth:

Target Joy: A Search for Truth Kenneth Obermeyer, 2001-10 *The Joy of Search* Daniel M. Russell, 2023-06-06 How to be a great online searcher demonstrated with step by step searches for answers to a series of intriguing questions for example Is that plant poisonous We all know how to look up something online by typing words into a search engine We do this so often that we have made the most famous search engine a verb we Google it Japan population or Nobel Peace Prize or poison ivy or whatever we want to know But knowing how to Google something doesn't make us search experts there's much more we can do to access the massive collective knowledge available online In *The Joy of Search* Daniel Russell shows us how to be great online researchers We don't have to be computer geeks or a scholar searching out obscure facts we just need to know some basic methods Russell demonstrates these methods with step by step searches for answers to a series of intriguing questions from what is the wrong side of a towel to what is the most likely way you will die Along the way readers will discover essential tools for effective online searches and learn some fascinating facts and interesting stories Russell explains how to frame search queries so they will yield information and describes the best ways to use such resources as Google Earth Google Scholar Wikipedia and Wikimedia He shows when to put search terms in double quotes how to use the operator why metadata is important and how to triangulate information from multiple sources By the end of this engaging journey of discovering readers will have the definitive answer to why the best online searches involve more than typing a few words into Google
