StarPassage Clark Rich Burbidge, 2023-12-05 Two teenage siblings find themselves desperate for answers when a mysterious relic reveals its age old secrets and power Tim and Martie Carson are the only ones who can save their family from a downward spiral fueled by their parent's struggles with PTSD and depression When they realize that an ancient relic discovered under mysterious circumstances holds the key to unlocking answers hidden in the past the siblings embark on a race against time to learn the relic's secrets while avoiding the Trackers sinister shadowy figures doomed to haunt history and drawn to possess the relic for their own evil purposes Travel through history with the Carson family as they struggle to understand the relic's secrets In their race against time can they decipher the clues and piece together the puzzle containing the answers they desperately seek Or will they be trapped forever by the evil forces relentlessly pursuing them Award winning storyteller Clark Burbidge presents the first book in a thrilling young adult fantasy adventure *StarPassage The Relic* a clue studded journey through time space and history that builds mystery and suspense with every page turned **Elissa's Legacy** John A. Ursillo, 2025-03-26 The story in *Elissa's Legacy* came about from an encounter with a side of CW history that had been introduced to me by my daughter a doctoral occupational therapist with the Veterans Administration an awareness of the phenomenon of women serving as men in the Civil War Research discovered that the role of women on the home front as nurses grew from small beginnings home front volunteers to the formal introduction of the Dorothea Dix Corps of Nurses and morphed into first ad hoc assistance closer to the field of battle within military field hospitals both North and South I discovered there was far more to this early female participation i.e. the phenomenon of women serving in disguise as men in actual combat hundreds of them by War Department actual count The success of these growing pains was the eventual system of military medical services that exist today Deeper research into both areas of interest was spurred by my acquisition of a signed limited edition 1864 copy of a memoir self published by such a participant Emma Edmonds who served as a nurse soldier and spy My copy was no 51 in the edition signed by Emma for the buyer Miss Lucy Vanilly The current work is not a retelling of Miss Edmonds's story which has been formally republished but my attempt to meld the phenomenon of women in Civil War military service with the concept of how the actions and experiences of previous generations of a family my character Elissa's family and my family can strongly influence behavior mores and actions of their descendants I know this to be true from my own military service Ordnance Corps EOD my comrades and those who currently serve The term band of brothers is not just a film title As I grow older I am ever more conscious how that legacy from my forebears has molded my personality influenced my character guided my actions and helped me inculcate those values into my two daughters so that

they may carry on the influence of those of my family who have gone before **Shiloh** Steven WinterHawk,2012-11-15 This is a work of fiction based on the Authors Visions and dreams Native stories and the Bible This is a story about a Native man called Shiloh who has the memories of Jesus Shiloh was born of a Native American mother named Mary and a Portuguese father named Joseph This takes place in a world that Rome did not fall as in our world and the head of Rome is an elusive man known only as the Emperor This Rome was visited by Aliens Native Spirits from the Star Sirius who foretold of a prophesy concerning the end of the world Included as part of the story is my Vision Quest that started it all for me showing a relationship between my Dreams and the waking world From my Native way of looking at life there are differences in the story of Jesus and the Bible One main difference is the Arrow of Truth which is a more positive replacement for the Christian idea of sin This originated in a dream that I had about the same point in time that I wrote a poem called This is a Circle It was a meditation and then the Vision Quest that brought it all together into this story **Wisdom's Call** K A Ellis,2023-09-05 Like all great building projects the world runs on the wisdom of its Architect The universe is a carefully ordered place designed for humanity s good and God s glory Too often however we attempt life based on our own understanding To become wise we must respond to Wisdom s call to dwell in Wisdom s house Scripture teaches that Christ Himself is our wisdom our way back to understanding how to build and live as the Architect intended Those who meditate on the wisdom of Christ will find themselves living in Wisdom s house once again You will be refreshed and able to bring life to those around you just like Christ who breathed life from its start K A Ellis shows us how to claim the asset of wisdom and invites us to experience Jesus Christ the Wisdom on which our world rests Ellis calls us to live as people who are wise *The Star and Celebrity Confessional* Sean Redmond,2013-10-18 In this book the different manifestations meanings and processes of the star and celebrity confessional will be explored The confessional is taken to be any moment in which a star celebrity or fan engages in revelatory acts that are considered to be authentic heart felt and honest These confessional encounters can take place in an interview through performance and presentation events online and in unscripted encounters A star may break down in tears or reveal a previously unknown truth about their private life However this authenticity is often found to have been manufactured or is timed to occur against a new release or product launch Alternatively the desire to confess may be seen to draw attention to the centrality of pseudo forms of emotion in contemporary culture and the obsessional behaviour it produces In this book authors consider acts of confession by celebrities such as Tom Cruise Michael Jackson Jade Goody Britney Spears Sarah Jessica Parker Tracey Emin and Russell Crowe War of the Fantasy Worlds Martha C. Sammons,2009-12-22 This investigation focuses on C S Lewis s and J R R Tolkien s contrasting views of art and imagination which are key to understanding and interpreting their fantasy works providing insight into their goals themes and techniques as well as an appreciation of the value and impact of their mythologies Most scholarship about J R R Tolkien and C S Lewis describes their shared faith and academic interests or analyzes each writer s fantasy works War of the Fantasy Worlds C S

Lewis and J R R Tolkien on Art and Imagination is the first to focus solely on their contrasting concepts of fantasy The authors views of art and imagination the book shows are not only central to understanding the themes value and relevance of their fantasy fiction but are also strikingly different Understanding the authors thoughts about fantasy helps us better understand and appreciate their works Yet this book is not a critical analysis of The Lord of the Rings or The Chronicles of Narnia Rather it examines only elements of Tolkien s and Lewis s books that relate to their views about art fantasy and creativity or the implementation of their theories The result is a unique and altogether fascinating perspective on two of the most revered fantasy authors of all time **Day of Reckoning** And Wes Cronk Larry and Wes Cronk,Larry Cronk,2009-04
