Tarrano The Conqueror:

Tarrano The Conqueror Ray Cummings,2019-11-22 In Tarrano the Conqueror is presented a tale of the year 2430 A D a time somewhat farther beyond our present day era than we are beyond Columbus discovery of America My desire has been to create for you the impression that you have suddenly been plunged forward into that time to give you the feeling Columbus might have had could he have read a novel of our present day life Goodreads **Tarrano the Conqueror** Ray Cummings,2016-01-21 Chapter I The New Murders I was standing fairly close to the President of the Anglo Saxon Republic when the first of the new murders was committed The President fell almost at my feet I was quite certain then that the Venus man at my elbow was the murderer I don t know why call it intuition if you will The Venus man did not make a move he merely stood beside me in the press of the throng seemingly as absorbed as all of us in what the President was saying It was late afternoon The sun was setting behind the cliffs across the river There were perhaps a hundred and fifty thousand people within sight of the President listening raptly to his words It was at Park Sixty and I was standing on the Tenth Level 1 The crowd packed all twelve of the levels the park was black with people The President stood on a balcony of the park tower He was no more than a few hundred feet above me well within direct earshot Around him on all sides were the electric megaphones which carried his voice to all parts of the audience Behind me a thousand feet overhead the main aerials were scattering it throughout the city I suppose five million people were listening to the voice of the President at that moment He had just said that we must remain friendly with Venus that in our enlightened age controversies were inevitable but that they should be settled with sober thought around the council table This talk of war was ridiculous He was denouncing the public news broadcasters moulders of public opinion who every day every hour must offer a new sensation to their millions of subscribers He had reached this point when without warning his body pitched forward The balcony rail caught it and it hung there inert The slanting rays of the sun fell full upon the ruffled white shirt white but turning pink then red with the crimson stain welling out from beneath **Tarrano the Conqueror** Raymond King Cummings,2016-07-04 In Tarrano the Conqueror is presented a tale of the year 2430 A D a time somewhat farther beyond our present day era than we are beyond Columbus discovery of America My desire has been to create for you the impression that you have suddenly been plunged forward into that time to give you the feeling Columbus might have had could he have read a novel of our present day life Notice This Book is published by Historical Books Limited [www publicdomain org uk](http://www.publicdomain.org.uk) as a Public Domain Book if you have any inquiries requests or need any help you can just send an email to [publications publicdomain org uk](mailto:publications@publicdomain.org.uk) This book is found as a public domain and free book based on various online catalogs if you think there are any problems regard copyright issues please contact us immediately via DMCA [publicdomain org uk](http://publicdomain.org.uk) **Tarrano the Conqueror** Ray Cummings,2018-07-14 Tarrano the Conqueror by Ray Cummings In a tale of the year 2430 A D a time somewhat farther beyond our present day era than we are beyond Columbus discovery of America My desire has been to create for you the impression that you have suddenly been
