Tashis Bar And Other Stories:

Tashi's Bar and Other Stories Baljit Kang, 1995 Anecdotal Frequently Fact Based This Collection Of Short Stories Uses Straight Forward Narrative To Weave Its Fantastic Tales **Tales in Colour and Other Stories** Kunzang Choden, 2012-06-25 These deceptively simple stories uncover both the complexity and irony of women s lives in Bhutan today They show how ordinary lives choices and experiences are both remarkable and poignant In I am a Small Person a despised woman uses her femininity as a means to control a man the young girl in I Won t ask Mother suddenly feels empowered and confident when she makes a decision without consulting her mother All the stories take place in rural settings to which creeping urbanisation brings gradual change and tensions surface between the new and the old or the traditional and the modern For many rural women being able to connect to the city and all its perceived power and glamour is a very real aspiration This yearning is exemplified in Look at her Belly Button where a young woman effortlessly slips out of the role of a farmer to become a real Bhutanese urbanite Published by Zubaan The Franklin Avenue Rookery for Wayward Babies and Other Stories Laura Newman, 2021-01-19 These ten stories are irresistible because their author is both fearless and ambitious Newman switches points of view effortlessly brings us to far flung regions of the world and has an uncanny authentic grasp of cultures We travel from Varanasi to Tijuana from Rome to Lhasa to New Orleans Valdez Barcelona and the Isle of Skye The characters are just as diverse Maggie who is taking the ghost of her dead brother and her guilt on a spiritual trek of redemption to the Annapurna Sanctuary in Nepal Gomez who has a date with destiny in the syrup aisle at the Tijuana hypermarket while his friend Chuy carries Jesus on his back through the street vendors at the Mexican US crossing a Norwegian preacher relocates to Varanasi India in a valiant effort to convert Hindus and Muslims to Christianity while his son watches the bodies burn on the banks of the Ganges and in the title story the women who run an undercover orphanage in New Orleans don habits by day but play poker at night While these fictions occur thousands of miles apart and evince wildly different cultures and situations they are unified in their portrayal of ordinary citizens of the world struggling against extraordinary events And they are written with a remarkable mixture of pathos and humor **Indian Books in Print** ,2003

The Handsome Monk and Other Stories Tsering Dondrup, 2019-01-08 Tsering D ndrup is one of the most popular and critically acclaimed authors writing in Tibetan today In a distinct voice rich in black humor and irony he describes the lives of Tibetans in contemporary China with wit empathy and a passionate sense of justice The Handsome Monk and Other Stories brings together short stories from across Tsering D ndrup s career to create a panorama of Tibetan society With a love for the sparse yet vivid language of traditional Tibetan life Tsering D ndrup tells tales of hypocritical lamas crooked officials violent conflicts and loyal yaks His nomad characters find themselves in scenarios that are at once strange and familiar satirical yet poignant The stories are set in the fictional county of Tsezhung where Tsering D ndrup s characters live their lives against the striking backdrop of Tibet s natural landscape and go about their daily business to the ever present rhythms

of Tibetan religious life Tsering D ndrup confronts pressing issues the corruption of religious institutions the indignities and injustices of Chinese rule poverty and social ills such as gambling and alcoholism and the hardships of a minority group struggling to maintain its identity in the face of overwhelming odds Ranging in style from playful updates of traditional storytelling techniques to narrative experimentation Tsering D ndrup s tales pay tribute to the resilience of Tibetan culture

Indian Review of Books ,1994 **The Legend of Gold and Other Stories** Jun Ishikawa,1998-10-01 The four stories and novella translated in this volume represent the best short fiction by Ishikawa Jun 1899 1987 one of the most important modernist writers to appear on the Japanese literary stage during the years before and after World War II Throughout his career Ishikawa resisted the tide of popular opinion to address issues of political and artistic significance and thereby paved the way for a generation of Japanese internationalists and experimentalists including Abe Kobo and Oe Kenzaburo Highly acclaimed and respected in Japan Ishikawa remains little known in the West in part because of the tendency of Western critics and readers of Japanese literature to focus on writers concerned with aesthetic issues Combining a strong interest in politics with a brilliant use of modernist techniques Ishikawa s work defies easy categorization Banned in 1938 Mars Song has been called the finest example of anti war fiction written during Japan s march to war in China and the Pacific In it Ishikawa denounces the chorus of jingoism that swept Japan and via a metafictional tale within a tale he warns against the suicidal destruction to which complicity in warmongering will lead The allegorical Moon Gems written in the spring of 1945 further explores the tenuous position of the writer moving against the current in a country not only still at war but very near defeat In The Legend of Gold and The Jesus of the Ruins both from 1946 Japan has been reduced to a charred wasteland yet Ishikawa envisions destruction as fertile ground for rebirth and resurrection Finally the semi surrealist novella The Raptor plumbs the meanings and possibilities of peace in the post Occupation era William Tyler s eminently readable translations are faithfully expressive of stylistic and tonal nuances in the original works In a perceptive introduction and the critical essays that follow Tyler emphasizes Ishikawa s importance as an anti establishment even resistance writer and argues that the writer s political iconoclasm goes hand in hand with the modernism of his literary experimentation The Legend of Gold will be of tremendous importance in enlarging a Western understanding of the development of the writer s role as social critic and the evolution of the modernist movement in postwar Japan **Epilogue, Vol 3, Issue 12** , **The Journal of Commonwealth Literature** ,1996 One number each year includes Annual bibliography of Commonwealth literature

Masterji and Other Stories Maura Moynihan,1999 A collection of highly charming and idiosyncratic stories about the emotional landscape of the subcontinent as seen through the eyes of an expat visitor
