The food & drink guide for Cyprus ,2025-09-25 [A History of Cyprus](#) George Hill,2010-09-23 A rich varied history of conquerors and colonizers which recognizes the centrality of Cyprus to the Mediterranean world **The Adventure travel guide for Cyprus** ,2025-09-25 **Epiphanius of Cyprus** Andrew S. Jacobs,2016-07-05 Epiphanius Bishop of Constantia on Cyprus from 367 to 403 C E was incredibly influential in the last decades of the fourth century Whereas his major surviving text the Panarion an encyclopedia of heresies is studied for lost sources Epiphanius himself is often dismissed as an anti intellectual eccentric a marginal figure of late antiquity In this book Andrew Jacobs moves Epiphanius from the margin back toward the center and proposes we view major cultural themes of late antiquity in a new light altogether Through an examination of the key cultural concepts of celebrity conversion discipline scripture and salvation Jacobs shifts our understanding of late antiquity from a transformational period open to new ideas and peoples toward a Christian Empire that posited a troubling but ever present otherness at the center of its cultural production

Salamis of Cyprus Sabine Rogge,Christina Ioannou,Theodoros Mavrojannis,2019 In May 2015 an international conference organised by the University of Cyprus and the Cypriot Department of Antiquities was held in Nicosia a conference which could well be called the largest ever symposium on ancient Salamis During the three day event some 60 scholars from many countries presented their current research on this important and spectacular archaeological site on the east coast of the island of Cyprus Two generations of scholars met in Nicosia during the conference an older one whose relationship with ancient Salamis can be characterized as very direct since many representatives of that generation had actively participated in the extremely productive excavations at that spot until these activities came to an abrupt end in the summer of 1974 due to the Turkish invasion and a younger generation which is of course lacking this very direct contact The conference successfully connected the older with the younger generation and thus contributed to maintaining and renewing the interest in ancient Salamis This richly illustrated book compiles most of the lectures presented during the conference It might be regarded as a tribute to Salamis an outstanding ancient city which existed for more than one and a half millennia eventually

under the name of Constantia **The Taste of Cyprus** Gilli Davies,1994 An original and exciting book which brings out Cypriot food in all its splendour and richness An easy to follow seasonal look at the island s varied tastes It is supplemented by colour photographs showing different food products and numerous black and white illustrations **Cyprus and the Politics of Memory** Rebecca Bryant,Yiannis Papadakis,2012-06-20 The island of Cyprus has been bitterly divided for more than four decades One of the most divisive elements of the Cyprus conflict is the writing of its history a history called on by both communities to justify and explain their own notions of justice While for Greek Cypriots the history of Cyprus begins with ancient Greece for the Turkish Cypriot community the history of the island begins with the Ottoman conquest of 1571 The singular narratives both sides often employ to tell the story of the island are as this volume argues a means of continuing the battle which has torn the island apart and an obstacle to resolution Cyprus and the Politics of Memory re orientates history writing on Cyprus from a tool of division to a form of dialogue and explores a way forward for the future of conflict resolution in the region **Music in Cyprus** Jim Samson,Nicoletta Demetriou,2016-03-09 Music in Cyprus draws its authors from both sides of the divided island to give a rounded picture of musical culture from the beginning of the British colonial period 1878 1960 until today The book crosses conventional scholarly divides between musicology and ethnomusicology in order to achieve a panorama of music culture and politics Shared practices of traditional music and dance are outlined and the appropriation of those practices by both communities in the aftermath of the de facto division of the island is examined Art music European and Ottoman is also discussed both in terms of the structures of musical life and the creative praxes of composers and there is an account of the early stages of a popular music industry The authors consider such questions as What is the role of different musics in defining national regional social and cultural identities in Cyprus How do Cypriot alterities illuminate European projects of modernity And what has been the impact of westernization and modernization and conversely of orientalization on music in Cyprus The book will be of interest to students and academics working not only in both historical musicology and ethnomusicology but also in the history and anthropology of Cyprus and of the entire Greek Anatolian region [The Regional Travel Guide for Limassol Region \(Cyprus\)](#) YouGuide Ltd,
