Canadian Books in Print. Author and Title Index ,1975 *Technology In Classrooms* Harrison Stewart,Al,2025-03-11 Technology in Classrooms explores the transformative impact of digital tools on education examining how technology integration is reshaping teaching and learning The book traces the evolution of educational technology highlighting how

personalized learning experiences and the growing emphasis on digital literacy are driving advancements. It argues that thoughtfully implemented technology can enhance education making it more engaging and accessible. The book begins by introducing fundamental concepts like learning management systems and interactive whiteboards. It progresses to explore technology's impact on personalized and collaborative learning using case studies to illustrate real world applications. The text emphasizes aligning technology with sound pedagogical principles encouraging educators to critically evaluate its potential benefits and drawbacks. Concluding with a discussion of emerging trends such as artificial intelligence and virtual reality the book offers practical recommendations for educators and policymakers. It draws from academic research case studies and surveys providing a balanced perspective on the role of technology in K-12 education. **Teacher's Internet**
