Technology And Society Issues In Assessment Conflict And Choice:

Technology and Society David M. Freeman, 1974 *Conservation of Great Plains Ecosystems: Current Science, Future Options* S.R. Johnson, Aziz Bouzaher, 2012-12-06 A multidisciplinary and multifaceted approach is employed to identify principal ecosystems and natural resources in the U S Great Plains that are at risk and that should receive priority for protection The authors are drawn from a variety of disciplines and approaches their ideas being presented as a pooling or harvest rather than as a consensus The 25 chapters provide background and in depth discussion of multiple issues problems related to Great Plains stewardship for future generations The status and trends of major resources of the Great Plains within an historical ecological and management framework are categorized according to common goals across the disciplines and can be used to make recommendations for public policy research and development and institutions The challenge for residents of the Great Plains is to merge multiple ecosystem concepts to improve the environment and to improve economic vitality Likely Social Impacts of Proposed National-level Policy Initiatives, 1981 This report describes the results of an investigation of likely social effects of enacting nine proposed national level policy initiatives to accelerate development and use of solar energy This study is part of the Technology Assessment of Solar Energy Systems TASE project supported by the U S Dept of Energy The report identifies the effects of each initiative on individuals groups organizations communities and society as a whole In addition it provides a framework for organizing a myriad of impact information into a set of conceptually exclusive impact categories *Irrigation Management In Developing Countries* K. C. Nobe, 2019-03-11 This book brings together current issues in and approaches to the development utilization and management of water resources in developing countries It analyzes these irrigation issues and offers future strategies to help bridge the gap between potential and reality in Third World agriculture SERI/TR-, 1981 Continuities in Sociological Human Ecology Michael Micklin, Dudley L. Poston, 2013-11-11 The completion of this volume would not have been possible without the generous and dedicated help of numerous people The book had its genesis in a conference held at Cornell University in the fall of 1990 that was organized by Dudley Poston Paul Eberts and Michael Hannan all professors at the time at Cornell With the very generous financial assistance of David Call then the dean of Cornell s College of Agriculture and Life Sciences Poston Eberts and Hannan put together a two day conference of lectures and papers by human ecologists from Cornell University and elsewhere The conference focused on sociological human ecology and celebrated the fortieth anniversary of the publication of Amos Hawley s *Human Ecology* Ronald Press 1950 Professor Hawley was the keynote speaker at the conference Many of the authors of the chapters in this volume presented earlier versions at the Cornell conference in 1990 Cornell s Departments of Rural Sociology and Sociology also contributed financial assistance however without Dean Call s very generous support the conference would not have been possible A few months after the conference Poston and Michael Micklin discussed the possibility of asking the various authors of the Cornell conference papers to revise them for publication in a volume on

sociological human ecology Many opted to do so but others did not because of time and other kinds of commitments and constraints
