Daniel Gunther, 2014-02-15 This book's primary focus is an understanding of the change to the formulas of Initiation brought about by the advent of the New Aeon the Aeon of the Child in 1904 It draws deeply from Jungian psychology world mythology and religion the teachings of Aleister Crowley and the doctrines of the Mystery traditions It explains how the revelations unique to this stage of human evolution impact the work of the individual aspirant Much of what is written here is revealed for the first time with every attempt to do so in clear and precise language      **The Initiation of the World** Vera Stanley Alder, 1970      *Initiation, Human & Solar: Treatise on Theosophy and Esotericism* Alice Bailey, 2020-12-17 Initiation Human and Solar is book by Alice Bailey in which is explained her theory of the hierarchy of sacred entities and the part initiation plays in that system Initiation is presented as a growth of perception which serves as a guide to revelation and elucidation      **Initiation: Human and Solar** Alice A. Bailey, 1922-01-01 Before entering upon the subject matter of the following articles on Initiation on the Paths that open before the perfected man and on the Occult Hierarchy certain statements may be made which seem essential for the judicious study and comprehension of the ideas submitted It is to be recognised that throughout this volume facts are alleged and definite statements made which are not susceptible of immediate proof by the reader Lest it be inferred that the writer arrogates to herself any credit or personal authority for the knowledge implied she emphatically disavows all such claims or representations She cannot do otherwise than present these statements as matters of fact Nevertheless she would urge those who find somewhat of merit in these pages that they be not estranged by any appearance of dogmatism in the presentation Nor should the inadequacy of the personality of the writer act as a deterrent to the open minded consideration of the message to which her name happens to be appended In spiritual issues names personalities and the voice of external authority hold small place That alone is a safe guide which holds its warranty from inner recognition and inner direction It is not therefore material whether the reader receive the message of these pages as a spiritual appeal in an idealistic setting a presentation of alleged facts or a theory evolved by one student and presented for the consideration of fellow students To each it is offered for whatever of inner response it may evoke for whatever of inspiration and of light it may bring In these days of the shattering of the old form and the building of the new adaptability is needed We must avert the danger of crystallisation through pliability and expansion The old order changeth but primarily it is a change of dimension and of aspect and not of material or of foundation The fundamentals have always been true To each generation is given the part of conserving the essential features of the old and beloved form but also of wisely expanding and enriching it Each cycle must add the gain of further research and scientific endeavour and subtract that which is worn out and of no value Each age must build in the product and triumphs of its period and abstract the accretions of the past that would dim and blur the outline Above all to each generation is given the joy of demonstrating the strength of the old foundations and the opportunity to build upon these foundations a structure that will meet the needs of the inner evolving life      Initiation, Human and Solar
