became a part of a problem Growing up in and around the streets Ive caused much destruction in my lifetime Ive been a part of gang violence sold drugs and was involved in countless thefts and armed robberies Now my life s focus is to inspire teach uplift and mend I now use life s experiences to grow and learn I feel obligated to pass on all the insight and knowledge I ve obtained throughout the years to whoever I can By doing so people can learn from my mistakes and use me as an example because I ve seen darker truths that people need not witness themselves I ve walked rocky paths on which those can only stumble And if by sharing my views on paper and pouring my heart out through a pen can inspire or save just one life if by writing I can prevent someone from making some of the same mistakes I ve made I will have done my part I will have at least saved one soul from having to suffer the afflictions I ve faced And for that reason alone I write And for that reason alone I ll forever share my truths Colophon
