

TEEN VIOLENCE

A GLOBAL VIEW

Edited by Allan M. Hoffman and Randal W. Summers

Teen Violence A Global View

**Andrew L. Cherry Jr., Mary E.
Dillon, Douglas Rugh**

Teen Violence A Global View:

Teen Violence Allan M. Hoffman, Randal W. Summers, 2001 The complexities and tragedies arising from teen violence are problems faced on every continent in the world Fourteen case studies of carefully selected countries representative of every region of the world are presented in this absorbing volume that is the first to examine the causes and possible solutions for the problem of teen violence around the world Students and teachers can make cross cultural comparisons to discover how the problem is viewed in different countries how the problem is changing which factors seem to contribute to the rate of teen violence in almost all of the countries and which are unique to specific countries Readers can also take a fascinating look at the various solutions to the problem that have been proposed and tested throughout the world Each chapter is divided into similar subsections so students can easily compare specific topics among different countries and cultures They will find that the perception of teen violence in different countries does not always reflect the reality They can discover how such factors as drug use family dynamics and educational settings play an important role in teen violence across many different cultures while also discovering the unique settings and situations that contribute to violence in unfamiliar cultures This world view will help build better understanding of how social issues affect all societies **Teen Gangs** Maureen P. Duffy, Scott E.

Gillig, 2004-03-30 Teen gangs are a hot issue in the United States This volume shows the international scope of the phenomenon today Gang activity in 14 countries including the United States is discussed within the larger framework of social and economic conditions Each chapter explains the nature of the gang activity in that country touches on the causes such as poverty marginalization and self identity problems and heavily emphasizes the responses including education and community based intervention Students and researchers will find a wealth of current information on teen gangs to mine and use for comparisons **Teenage Pregnancy** Andrew L. Cherry Jr., Mary E. Dillon, Douglas Rugh, 2001-09-30 Teenage pregnancy is a worldwide problem that accompanies the initiation of sexual activity at increasingly younger ages This unique reference resource provides students with cross cultural comparisons of the issues associated with teenage pregnancy How do different cultures deal with this problem How has the problem changed in recent years What programs have been initiated to try to control the problem Answers to these and other questions for fifteen different countries are explored in detail to give a global perspective and to challenge students to think about how the problem should be addressed The fifteen countries represented have been carefully chosen to represent the different regions of the world Student researchers can use this resource to study the similarities that cross national and regional boundaries despite the varying needs and experiences of adolescents around the world By understanding the history of teenage pregnancy and how it is viewed both socially and politically in each of the countries students can come to an understanding of how it affects the world what its dangers are and how we can come up with a comprehensive strategy for preventing and coping with it everywhere Migration and Immigration Maura I. Toro-Morn, Marisa Alicea, 2004-03-30 The post World War II period has been called the age of migration

since an unprecedented number of people worldwide have been on the move This reference surveys migration and immigration past and present in 14 representative countries Historical social political and economic consequences of migration are considered Students and researchers will find the synthesis indispensable and the format ideal for comparisons The collective analysis of the contributors who hail from a range of disciplines ultimately defies the simple characterization of migration as a choice of people seeking better income opportunities The authors are sensitive to the ways that race class and gender dynamics influence the composition of migratory flows the reasons why people migrate and the outcomes of population movements Each chapter explicates the human cost of migration giving readers a better understanding of social issues underlying migration at the beginning of the 21st century **Encyclopedia of Juvenile Violence** Laura L.

Finley,2006-12-30 From concerns about juveniles incorrigibility at the turn of the century to school violence in the 1990s adults have attempted to understand control and prevent juvenile violence Yet juvenile violence takes many forms including both violence by juveniles and violence against juveniles and has various causes and consequences Since juvenile violence cannot be understood without examining the social context of a given time this comprehensive encyclopedia provides a historical overview of many significant time periods and offers entries about many types of juvenile violence It covers competing theories of youth violence issues such as gender race and educational status and the criminal justice system s methods for dealing with both victims and offenders over time Additionally several topics that receive little attention in traditional volumes about juvenile violence such as hazing systemic violence in schools peaceable schools are covered in these pages Each entry utilizes current sources making the book as up to date as possible The front and back matter offer important information including a chronological list of significant events related to juvenile violence and book and Web resources Authors represent many different fields including Sociology Psychology Education History Social Work Political Science Policing and English This offers readers a diversity of perspectives and information from a variety of sources Confronting a difficult and often misunderstood subject this encyclopedia is essential to a better understanding of juvenile violence **Youth Violence** Kathryn Seifert,Karen Ray (Ph. D.),2012 Print CourseSmart **Street Gangs Throughout**

the World Herbert Covey,2021-07-01 This new third edition provides an update on what is known about street gangs throughout the world and summarizes some of the major works on street gang phenomena It focuses on those countries that have a greater presence in the literature Chapter 1 introduces the reader to the topic of street gangs throughout the world Chapter 2 identifies some of the challenges faced by scholars when studying gangs in different countries Chapter 3 reviews some of the basic research on street gangs in the United States and Canada Chapter 4 covers what is known about street gangs in Europe and Russia Chapter 5 reviews the literature on street gangs in one of the hottest areas of the world for gangs Central America In addition this chapter examines South American and Caribbean gangs Street gangs in Brazil El Salvador Guatemala Jamaica Brazil Mexico Nicaragua Trinidad and other countries are covered The presence of street gangs

and gang violence in these and other countries has been identified as a major factor in the mass migration of refugees to the United States Chapter 6 reports on the street gangs of Africa Research on gangs in South Africa goes back decades and the country has a unique history on how gangs evolved Other countries such as Egypt Nigeria and Kenya are developing a body of literature that highlights the distinctive nature of gangs and gang members in these countries Chapter 7 addresses street gangs in Asia including China India Hong Kong post reunification Japan and other countries This chapter provides rare glimpses of gangs in China a relatively secretive country Although different in many ways from gangs in Asia information is also included here about gangs in Australia and New Zealand Practitioners in the criminal justice and juvenile justice fields will find this book to be a valuable resource

Girls and Aggression Marlene M. Moretti, Candice Odgers, Margaret Jackson, 2012-12-06 Although research on aggressive men and boys has been plentiful much less attention has been directed toward aggression in girls and women The increasing number of young women who find themselves living violent lives both as perpetrators and victims has led to urgent calls for more information on understanding what causes what perpetuates and what can be done about this problem Addressing this need Girls and Aggression presents a range of interdisciplinary perspectives on risk and protective factors developmental pathways and intervention principles specific to the problem of aggression and violence in the lives of young women Contributions come from the fields of psychology criminology education and sociology and use both qualitative and quantitative methodologies to explore the issues Girls and Aggression will be of interest to academic researchers and mental health practitioners alike by providing an up to date and comprehensive view of this important and underexplored area

Juvenile Delinquency Kirk Heilbrun, Naomi E. Sevin Goldstein, Richard E. Redding, 2005-03-17 Juvenile offending and anti social behavior are enormous societal concerns This broad reaching volume summarizes the current evidence on prevention diversion causes and rates of delinquency as well as assessment of risk and intervention needs A distinguished cast of contributors from law psychology and psychiatry describe what we know about interventions in school community and residential contexts focusing particularly on interventions that are risk reducing and cost effective Equally important each chapter comments on what is not well supported through research distinguishing aspects of current practice that are likely to be effective from those that are not and mapping new directions for research policy and practice Finally the volume provides a description of a model curriculum for training legal and mental health professionals on conducting relevant assessments of adolescents for the courts Effectively bridging research and practice this will be an important resource for legal and mental health professionals involved in the juvenile justice system policy makers seeking humane but effective interventions in the context of society's need for safety and those involved in teaching about and training in juvenile delinquency

Gangs Karen L. Kinnear, 2008-10-29 A thoroughly updated look at the world of gangs charting their growth and development in the United States and worldwide as well as the efforts to curb their expanding criminal enterprises Gangs A Reference Handbook Second Edition offers an eye opening look at modern gangs

their history their ability to attract members from a widening social pool as well as efforts by community and political leaders to stop gang related crime and weaken the grip that gangs have on our culture This timely update shows that while genuine progress has been made the world of gangs is evolving in fascinating and dangerous ways The second edition features a wealth of new information new statistical data and new insights into the ways gangs operate in cities large and small It also offers expanded coverage of gangs specific to other countries as well as those that have become genuinely international in nature

A Return to Justice Ashley Nellis, 2015-12-14 Juveniles who commit crimes often find themselves in court systems that do not account for their young age but it wasn't always this way The original aim of a separate juvenile justice system was to treat young offenders as the children they were considering their unique child status and amenability for reform Now after years punishing young offenders as if they were adults slowly the justice system is making changes that would allow the original vision for juvenile justice to finally materialize In its original design the founders focused on treating youth offenders separately from adults and with a different approach The hallmarks of this approach appreciated the fact that youth cannot fully understand the consequences of their actions and are therefore worthy of reduced culpability The original design for youth justice prioritized brief and confidential contact with the juvenile justice system so as to avoid the stigma that would otherwise mar a youth's chances for success upon release Rehabilitation was seen as the priority and efforts to redirect wayward youth were to be implemented when possible and appropriate The original tenets of the juvenile justice system were slowly dismantled and replaced with a system more like the adult criminal justice system one which takes no account of age In recent years the tide has turned again The number of incarcerated youth has been cut in half nationally In addition juvenile justice practices are increasingly guided by scholarship in adolescent development that confirms important differences between youth and adults And states and localities are choosing to invest in evidence based approaches to juvenile crime prevention and intervention rather than in facilities to lock up errant youth This book assesses the strategies and policies that have produced these important shifts in direction Important contributing factors include the declining incidence of youth committed crime advances in adolescent brain science nationwide budgetary concerns focused advocacy with policymakers and practitioners and successful public education campaigns that address extreme sanctions for youth such as solitary confinement and life sentences without the possibility of parole Yet more needs to be done The U S Supreme Court has recently voiced its unfaltering conclusion that children are different from adults in a series of landmark cases The question now is how to take advantage of the opportunity for juvenile justice reform of the kind that would reorient the juvenile justice system to its original intent both in policy and practice and would return to a system that treats children as children Using case examples throughout Nellis offers a compelling history and shows how we might continue on the road to reform

Teenage Guys Steven Gerali, 2006 What youth workers and parents need to know about adolescent guys the issues they face and how to help and mentor them

Bewegung, Spiel und Sport in Kindheit und Jugend Hans Peter

Brandl-Bredenbeck,2008 **Decision-Making Process around Teenage Motherhood** Miriam Müller,2019-11-27 The objective of this study is to understand the perceptions beliefs and influencing factors that may lead to different fertility outcomes among young women in Nicaragua a country with one of the highest adolescent fertility rates in Latin America The results are based on qualitative data collected in urban areas Miriam M ller reveals that two structural constraints affect women s choices and their capacity to actively participate in defining their life paths poverty and traditional gender norms This book contributes to the discussion of intergenerational transmission of poverty by disentangling the mechanisms behind decision making around teenage motherhood and by describing the consequences of these decisions **Coping with Random Acts of Violence** Rich Mintzer,2003-12-15 Violence especially the one that comes unexpectedly and senselessly has existed since the dawn of time While it is unfortunately a part of everyday life steps can be taken to deal and prevent future acts from happening This book allows the reader to understand the nature of random violence recognizing the symptoms of a potential act dealing with peer pressure and gangs and how to prevent future outbreaks *Youth, Crime, and Justice* Clayton A Hartjen,2008-03-25 Close to half of the world s population is below the age of criminal jurisdiction in most countries Many of these young people are living in poverty and under totalitarian regimes Given their deprived and often abject circumstances it is not surprising that many of them become involved in crime In *Youth Crime and Justice* Clayton A Hartjen provides a broad overview of juvenile delinquency how it manifests itself around the world and how societies respond to misconduct among their children Taking a global rather than country specific approach chapters focus on topics that range from juvenile laws and the correction of child offenders to the abuse exploitation and victimization of young people Hartjen includes specific examples from the United States Australia Spain Switzerland New Zealand Japan India Egypt and elsewhere as he sorts through the various definitions of delinquent and explores the differences in behavior that contribute to these classifications Most importantly his in depth and comparative look at judicial systems worldwide raises questions about how young offenders should be corrected and how much fault can be laid on misbehaving youths acting out against the very societies that produced them *Forensic Psychology* Matthew T. Huss,2013-09-23 *Forensic Psychology* 2nd Edition provides students with an in depth and insightful introduction to the clinical practice of forensic psychology the assessment and treatment of individuals who interact with the legal system This textbook was designed to focus on the more narrow or traditional definition of forensic psychology the practice of forensic clinical psychology *The Oxford Handbook of Gangs and Society* David C. Pyrooz,James Densley,John Liverso,2024 *The Oxford Handbook of Gangs and Society* is the premier reference book on gangs for practitioners policymakers students and scholars This carefully curated volume contains 43 chapters written by the leading experts in the field who advance a central theme of looking back moving forward by providing state of the art reviews of the literature they created shaped and re defined This international interdisciplinary collective of authors provides readers with a rare tour of the field in its entirety expertly navigating thorny debates and the at

times contentious history of gang research while simultaneously synthesizing flourishing areas of study that advance the field into the 21st century The volume is divided into six cohesive sections that reflect the diverse field of gang studies and capture the large scale cultural economic political and social changes occurring within the world of gangs in the last century anticipating immense changes on the horizon From definitions to history to theory to epistemology to technology to policy and practice this unprecedented volume captures the most timely and important topics in the field From curious outsiders to longstanding insiders this volume will appeal to anyone with an interest in gangs The editors assembled a cast of the best scholars shaping how the field thinks about gangs The content is fresh timely and informative appealing to everyone from the armchair theorist to the federal policymaker It is truly a one stop shop for anyone seeking the most up to date information on gangs written by experts who approach the topic from very different disciplinary orientations methodological approaches and theoretical perspectives When readers finish this book they will be more confident in what we know and do not know about gangs in our society

Empowering Adolescent Girls in Developing Countries Caroline Harper,Nicola Jones,Anita Ghimire,Rachel Marcus,Grace Kyomuhendo Bantebya,2018-02-13 The Open Access version of this book available at <http://www.tandfebooks.com/doi/view/10.4324/9781315180250> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license Adolescence is a pivotal time in a girl's life The development of educational physical psychosocial familial political and economic capabilities enable girls to reach their full potential and contribute to the wellbeing of their families and society However progress is still significantly constrained by discriminatory gender norms and the related attitudes and practices which restrict girls horizons restrain their ambition and if unfettered allow exploitation and abuse Empowering Adolescent Girls in Developing Countries explores the detrimental impact of discriminatory gender norms on adolescent girls lives across very different contexts Grounded in four years of in depth research in Ethiopia Nepal Uganda and Viet Nam the book adopts a holistic approach recognising the inter related nature of capabilities and the importance of local context By exploring the theory of gendered norm change contextualising and examining socialisation processes the book identifies the patriarchal vested interests in power authority and moral privilege which combine in attempts to restrict and control girls lives Throughout the book Empowering Adolescent Girls in Developing Countries demonstrates how efforts to develop more egalitarian gender norms can enable disadvantaged adolescent girls to change the course of their lives and contribute to societal change Accessible and informative the book is perfect for policy makers think tanks NGOs activists academics and students of gender and development studies

The Oxford Handbook of Gender, Sex, and Crime Rosemary Gartner,Bill McCarthy,2014-05-14 Research on gender sex and crime today remains focused on topics that have been a mainstay of the field for several decades but it has also recently expanded to include studies from a variety of disciplines a growing number of countries and on a wider range of crimes The Oxford Handbook of Gender Sex and Crime reflects this growing diversity and provides authoritative overviews of current research

and theory on how gender and sex shape crime and criminal justice responses to it The editors Rosemary Gartner and Bill McCarthy have assembled a diverse cast of criminologists historians legal scholars psychologists and sociologists from a number of countries to discuss key concepts and debates central to the field The Handbook includes examinations of the historical and contemporary patterns of women s and men s involvement in crime as well as biological psychological and social science perspectives on gender sex and criminal activity Several essays discuss the ways in which sex and gender influence legal and popular reactions to crime An important theme throughout The Handbook is the intersection of sex and gender with ethnicity class age peer groups and community as influences on crime and justice Individual chapters investigate both conventional topics such as domestic abuse and sexual violence and topics that have only recently drawn the attention of scholars such as human trafficking honor killing gender violence during war state rape and genocide The Oxford Handbook of Gender Sex and Crime offers an unparalleled and comprehensive view of the connections among gender sex and crime in the United States and in many other countries Its insights illuminate both traditional areas of study in the field and pathways for developing cutting edge research questions

Teen Violence A Global View Introduction

Teen Violence A Global View Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Teen Violence A Global View Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Teen Violence A Global View : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Teen Violence A Global View : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Teen Violence A Global View Offers a diverse range of free eBooks across various genres. Teen Violence A Global View Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Teen Violence A Global View Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Teen Violence A Global View, especially related to Teen Violence A Global View, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Teen Violence A Global View, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Teen Violence A Global View books or magazines might include. Look for these in online stores or libraries. Remember that while Teen Violence A Global View, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Teen Violence A Global View eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Teen Violence A Global View full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Teen Violence A Global View eBooks, including some popular titles.

FAQs About Teen Violence A Global View Books

What is a Teen Violence A Global View PDF? A PDF (Portable Document Format) is a file format developed by Adobe that

preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Teen Violence A Global View PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Teen Violence A Global View PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Teen Violence A Global View PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Teen Violence A Global View PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
