

PREVENTING YOUTH SUICIDE: TIPS FOR PARENTS AND EDUCATORS

Suicide is preventable. Youth who are contemplating suicide frequently give warning signs. Do not be afraid to ask about suicidal thoughts. Never take warning signs lightly or promise to keep them secret.

RISK FACTORS

- Hopelessness
- Nonsuicidal self-injury (e.g., cutting)
- Mental illness and substance abuse
- History of suicidal thinking and behavior
- Prior suicide among peers or family members
- Interpersonal conflict, family stress/dysfunction
- Presence of a firearm in the home

WARNING SIGNS

- Suicidal threats in the form of direct (e.g., "I want to die") and indirect (e.g., "I wish I could go to sleep and not wake up") statements
- Suicide notes, plans, online postings
- Making final arrangements
- Preoccupation with death
- Giving away prized possessions
- Talking about death
- Sudden unexplained happiness
- Increased risk taking
- Heavy drug/alcohol use

If you or someone you know is suicidal, get help immediately via 911, the National Suicide Prevention Lifeline at 1-800-273-TALK, or the Crisis Text Line (text "HOME" to 741741).

WHAT TO DO

- Remain calm and nonjudgmental; listen.
- Ask directly about suicide (e.g., "Are you thinking about suicide?").
- Avoid being accusatory (e.g., don't say, "You aren't going to do anything stupid are you?").
- Reassure them that there is help; they will not feel like this forever.
- Provide constant supervision. Do not leave the youth alone.
- Remove means for self-harm, especially firearms.
- Get help! Never agree to keep suicidal thoughts a secret. Tell an appropriate caregiving adult.
- School staff should take the student to a school-employed mental health professional.

REMINDERS FOR PARENTS

- Continue to take threats seriously. Follow-through is important even after the child calms down or informs the parent they "didn't mean it."
- Access school supports. Parents can give the school psychologist permission to contact the referral agency, provide referral information, and follow up on the visit.
- Maintain communication with school. After an intervention, the school will also provide follow-up supports. Your communication will be crucial to ensuring that the school is the safest, most comfortable place possible for your child.

Teenage Crisis Practical Help For Parents And Educators Introduction

In the digital age, access to information has become easier than ever before. The ability to download Teenage Crisis Practical Help For Parents And Educators has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Teenage Crisis Practical Help For Parents And Educators has opened up a world of possibilities. Downloading Teenage Crisis Practical Help For Parents And Educators provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Teenage Crisis Practical Help For Parents And Educators has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Teenage Crisis Practical Help For Parents And Educators. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Teenage Crisis Practical Help For Parents And Educators. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Teenage Crisis Practical Help For Parents And Educators, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Teenage Crisis Practical Help For Parents And Educators has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
