Teenage Gangs:

Youth Gangs Irving A. Spergel, 1991 **Teen Gangs** Maureen P. Duffy, Scott E. Gillig, 2004-03-30 Teen gangs are a hot issue in the United States This volume shows the international scope of the phenomenon today Gang activity in 14 countries including the United States is discussed within the larger framework of social and economic conditions Each chapter explains the nature of the gang activity in that country touches on the causes such as poverty marginalization and self identity problems and heavily emphasizes the responses including education and community based intervention Students and researchers will find a wealth of current information on teen gangs to mine and use for comparisons **Teenage Gangs** New York City Youth Board, 1957 Youth Gangs and Street Children Paula Heinonen, 2011-07-01 The rapidly expanding population of youth gangs and street children is one of the most disturbing issues in many cities around the world These children are perceived to be in a constant state of destitution violence and vagrancy and therefore must be a serious threat to society needing heavy handed intervention and tough love from concerned adults to impose societal norms on them and turn them into responsible citizens However such norms are far from the lived reality of these children The situation is further complicated by gender based violence and masculinist ideologies found in the wider Ethiopian culture which influence the proliferation of youth gangs By focusing on gender as the defining element of these children s lives as they describe it in their own words this book offers a clear analysis of how the unequal and antagonistic gender relations that are tolerated and normalized by everyday school and family structures shape their lives at home and on the street Studying Youth Gangs James F. Short Jr., Lorine A. Hughes, 2006-05-04 In this absorbing new collection Short and Hughes and their distinguished coauthors investigate why and how we study youth gangs Over the last half century of research by criminologists sociologists and gang experts investigations of gang behavior have become increasingly specialized and isolated from studies of delinquency and deviance The authors challenge popular and inaccurate definitions of gangs vs non gang youth groups and show how the amazing diversity of gangs _both domestic and international_ demands more rigorous study This book stimulates thinking about valid methods of defining and interpreting gang behavior in order to better understand delinquent and criminal behaviors and their control It is an ideal text for criminal justice sociology and social work courses and a resource for law enforcement probation and parole practitioners and public defenders *Teenage Street Gangs* Fred A. Clark, 1996 The Youth Gangs, Drugs, and Violence Connection James C. Howell, 1999 Violence by Youth Gangs and Youth Groups as a Crime Problem in Major American Cities Walter Benson Miller, 1977 *Gang Suppression and Intervention* Irving A. Spergel, 1996-07 The first comprehensive national survey of organized agency and community group responses to gang problems in the U S The only national assessment of efforts to combat gangs Presents a comprehensive gang prevention and intervention model based on this national assessment These models are recommended as effective policies practices and strategies for communities to combat gangs Covers gangs as organizations membership demographics

and experiences the social contexts of gang development social opportunities schools and jobs and more

Youth Gang Programs and Strategies James C. Howell,2000 Juvenile Gangs Herbert C. Covey,Scott W. Menard,Robert J. Franzese,1992 Juvenile Gangs Kay C. McKinney,1988 Youth Gangs James C. Howell,1998 *Juvenile Gangs and Street Groups* Dorothy Louise Campbell Culver Tompkins,1966 A revision of a manuscript prepared for the Youth Studies Center of the University of Southern California in February 1965 **Youth Gangs** Edward F. Dolan,Shan Finney,1984 A description of youth gangs in the United States and the problems they create including crime and violence *Youth Gangs in Schools* James C. Howell,2000 **Youth Gangs in International Perspective** Finn-Aage Esbensen,Cheryl L. Maxson,2011-12-14 As a steady source of juvenile delinquents and an incubator for future adult offenders the youth gang has long been a focus of attention from their origins and prevalence to intervention and prevention strategies But while delinquent youth form gangs worldwide youth gang research has generally focused on the U S Youth Gangs in International Perspective provides a needed corrective by offering significant studies from across Europe as well as Trinidad Tobago and Israel The book spans the diversity of the field in the cultural and scholarly traditions represented and methods used analyzing not only the social processes under which gangs operate and cohere but also the evolution of the research base starting with the Eurogang Program s definition of the term youth gang Cross national and gender issues are discussed as are measurement concerns and the possibility that the American conception of the youth gang is impeding European understanding of these groups Among the topics covered Gang dynamics through the lens of social identity theory Defining gangs in youth correctional settings Gang gender composition and youth delinquency From Stockholm a holistic approach to gang intervention Gang membership as a turning point in the life course The impact of globalization immigration and social process on neo Nazi youth gangs Filling a critical gap in the literature Youth Gangs in International Perspective will find a wide audience among criminologists policymakers specializing in youth crime and researchers and graduate students in criminology political science and youth studies *Preventing and Reducing Juvenile Delinquency* James C. Howell,2003-02-24 This book aims to inform students about the latest research and the most promising and effective programs and for understanding preventing and controlling juvenile delinquency The book is geared to preparing students for a career in juvenile justice or related social service systems and becoming research or program development specialists The history of current juvenile justice system policies and practices are examined including the juvenile violence epidemic Key myths about juvenile violence and the ability of the juvenile justice system to handle modern day juvenile delinquents are critically examined Developmental theories of juvenile delinquency are applied to understanding how juvenile offender careers evolve Effective prevention and rehabilitation programs and what does not work are reviewed A comprehensive framework for building a continuum of effective programs is presented in Part III **Youth Gangs and Community Intervention** Robert Chaskin,2010-01-29 Although a range of program and policy responses to youth gangs exist most are

largely based on suppression implemented by the police or other criminal justice agencies. Less attention and fewer resources have been directed to prevention and intervention strategies that draw on the participation of community organizations, schools, and social service agencies in the neighborhoods in which gangs operate. Also underemphasized is the importance of integrating such approaches at the local level. In this volume, leading researchers discuss effective intervention among youth gangs, focusing on the ideas behind approaches to and evidence about the effectiveness of community-based youth gang interventions. Treating community as a crucial unit of analysis and action, these essays reorient our understanding of gangs and the measures undertaken to defeat them. They emphasize the importance of community both as a context that shapes opportunity and as a resource that promotes positive youth engagement. Covering key themes and debates, this book explores the role of social capital and collective efficacy in informing youth gang intervention and evaluation, the importance of focusing on youth development within the context of community opportunities and pressures, and the possibilities of better linking research, policy, and practice when responding to youth gangs among other critical issues.

Youth Gangs, Violence and Social Respect R. White, 2013-06-13. This is the first book dedicated to Australian youth gangs, exploring the subtleties and nuances of street life for young men and their quest for social respect. The key focus is on group violence and the ways in which the gang provides a forum for the expression of this violence.

Teenage Gangs Introduction

In today's digital age, the availability of Teenage Gangs books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Teenage Gangs books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Teenage Gangs books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Teenage Gangs versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Teenage Gangs books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Teenage Gangs books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Teenage Gangs books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Teenage Gangs books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Teenage Gangs books and manuals for download and embark on your journey of knowledge?
