Teenagers And The Law:

Teen Law David L. Levin, 2009 Teen Law is a general legal guide for teenagers everywhere It is written in friendly novel like style to beckon young readers The book covers the laws relating to auto accidents sex alcohol drugs contracts school activities traffic tickets and hearings military service curfew insurance policies and claims apartment leases credit score building copyright protection employment damages to you and to others and search and seizure Each chapter presents a unique legal subject and practical tips for understanding legal issues avoiding legal land mines and using the law to the reader s advantage Reviews As a former prosecutor and criminal court judge and a current law school professor I am aware of the importance of our youth taking the law seriously In that regard one of the most powerful tools we can provide as parents teachers and community leaders is a meaningful education of legal consequences Teen Law helps us in that regard It is comprehensive accurate and entertaining I recommend the book to every adult who cares about our young people Professor Lupe Salinas Thurgood Marshall School of Law Texas Southern University Houston Texas I cannot overstate the importance of our youth understanding and respecting the law it is not enough merely to say that the law is a serious matter rather we must find a more effective message Teen Law strikes me as that type of message Donna Goode Former Bureau Chief Special Prosecutions Bureau Harris County Texas District Attorney s Office The author David Levin is a member of the State Bar of Texas and practices law in Houston *What Are My Rights?*, 2012 [Teenagers and the Law](#) John Paul Hanna, 1975-01-01 Explains the legal rights and responsibilities of teenagers and defines various crimes and misdemeanors and their punishments **What Are My Rights?** Thomas A. Hasinoff,2015-02-28 Sexting Panic illustrates how anxieties about technology and teen girls sexuality distract from critical questions about how to adapt norms of privacy and consent for new media Though mobile phones can be used to cause harm Amy Adele Hasinoff notes that criminalization and abstinence policies meant to curb sexting often fail to account for the distinction between consensual sharing and the malicious distribution of a private image Hasinoff challenges the idea that sexting inevitably victimizes young women Instead she encourages us to recognize young people s capacity for choice and recommends responses to sexting that are realistic and nuanced rather than based on misplaced fears about deviance sexuality and digital media **Clearinghouse Review** ,2005 *Teen Legal Rights* David L. Hudson Jr.,2024-06-13 Teen legal rights are perpetually changing in American society whether in the classroom at work or within family and community settings Fully revised and updated to reflect important changes in the legal status and rights of young people from all walks of life the fourth edition of *Teen Legal Rights* is an accessible and indispensable resource to help teenagers navigate and understand the extent and limitations of their rights and liberties Employing a simple FAQ format organized into nearly two dozen topical chapters including new chapters devoted to such subjects as immigration and trans youth First Amendment scholar David L Hudson Jr provides an authoritative analysis of the judicial system as it pertains to teens and their interests explaining important court decisions legal arguments and legislative changes to help teens better understand how their rights are evolving as they move deeper into the 2020s **Library of Congress Subject Headings** Library of Congress,Library of Congress.
