**Challenging Choices** Erika Dyck, Maureen Lux, 2020-11-18 Between the decriminalization of contraception in 1969 and the introduction of the Charter of Rights and Freedoms in 1982 a landmark decade in the struggle for women's rights public discourse about birth control and family planning was transformed At the same time a transnational conversation about the population bomb that threatened global famine caused by overpopulation embraced birth control technologies for a different set of reasons revisiting controversial ideas about eugenics heredity and degeneration In *Challenging Choices* Erika Dyck and Maureen Lux argue that reproductive politics in 1970s Canada were shaped by competing ideologies on global population control poverty personal autonomy race and gender For some Canadians the 1970s did not bring about an era of reproductive liberty but instead reinforced traditional power dynamics and paternalistic structures of authority Dyck and Lux present case studies of four groups of Canadians who were routinely excluded from progressive reformist discourse Indigenous women and their communities those with intellectual and physical disabilities teenage girls and men In different ways each faced new levels of government regulation scrutiny or state intervention as they negotiated their reproductive health rights and responsibilities in the so called era of sexual liberation While acknowledging the reproductive rights gains that were made in the 1970s the authors argue that the legal changes affected Canadians differently depending on age social position gender health status and cultural background Illustrating the many ways to plan a modern family these case studies reveal how the relative merits of life and choice were pitted against each other to create a new moral landscape for

evaluating classic questions about population control      Street Nelson Mwangi,2016-04-04 You will never live a happy life leave alone achieve your dreams and reach your destiny if you fail to find your purpose in life Every page of this book will help you to not only find your identity but also become conversant about the tenacity you have towards achieving your dream This discovery will subject you to a splendid life of purpose and passion until you get to your destiny This book is for teens and young adults who are looking forward to rise above their fears depart from mediocrity afoot a complete transformation and efficacy of their lives by first realizing who they are and finding their Gods given purpose in life before they embark on a life journey with a sole purpose of becoming successful in all areas of their lives if they adhere to their purpose and live their passion Parents As you embark on a venture to gentrify your teens life this book will enhance your parenting acumen and help you to undertake your parenting responsibility of inculcating your teens and young adults with the moral responsibilities that they need in order to always make positive decisions not worth regrets in their present and future lives Since empowerment is a very vital act of mentorship that fosters self identity and ameliorates an individuals quality of life ignorance is bliss only when the knowledge of God is not involved Its through our relationship with God that we come to find our purpose gain confidence become courageous and suppress our fears in life as we progress towards our destiny As we seek to find our God mandated purpose in our lives its very imperative to know that life comes in phases where victory of your present stage invigorates your progress in the next stage Nevertheless our deepest fear is not that we are inadequate Our deepest fear is that we are powerful beyond measure Its our light not our darkness that most frightens us Most of the times we ask ourselves who am I to be brilliant gorgeous talented and successful Actually who are you not to be You are a child of God Your constrained thinking does not serve or impact the world Your life is not a mistake Every human being has a purpose which should dictate him or her to live a purpose driven life We were born to make manifest the glory of God that is within us Its not just in some of us its in everyone As we let our own light shine we unconsciously give others permission to follow suit As we are emancipated from our own fear our presence and perseverance automatically emancipates others

**The Parents' Guide to Psychological First Aid** Gerald P. Koocher,Annette M. La Greca,Olivia

Moorehead-Slaughter,Nadja N. Lopez,2024 The Parents Guide to Psychological First Aid brings together an array of experts to offer parental guidance in helping your child navigate and recover from the everyday stresses they will encounter growing up Clear practical and to the point this is a go to reference that parents will find themselves returning to again and again as their children grow With practical tips nonjudgmental advice and suggestions for additional resources at the end of each chapter this useful and thought provoking book will be of immense value to new and seasoned parents alike      *Risk: A Very Short Introduction* Baruch Fischhoff,John Kadvany,John David Kadvany,2011-05-26 Risks are everywhere They come from many sources including crime diseases accidents terror climate change finance and intimacy They arise from our own acts and they are imposed on us In this Very Short Introduction Fischhoff and Kadvany draw on both the sciences and humanities

to show what all risks have in common Do we care about losing money health reputation or peace of mind How much do we care about things happening now or in the future To ourselves or to others All risks require thinking hard about what matters to us before we make decisions about them based on past experience scientific knowledge and future uncertainties Using conceptual frameworks such as decision theory and behavioural decision research we examine the science and practice of creating measures of risk and look at how scientists apply probability by combining historical records scientific theories and expert judgement Showing what science has learned about how people deal with risks and applying these to diverse everyday examples the authors demonstrate how we move from understanding a risk to making a choice in everyday life
