Tekstura Russian Essays On Visual Culture:

Tekstura Alla Efimova, Lev Manovich, 1993-10-15 Fascinated by the myth of the Russian avant garde and scornful of official art the West has been selective in its engagement with Russian visual culture Yet how do contemporary Russian scholars and critics themselves approach the history of visual culture in the former Soviet Union Taking its title from a Russian word that can refer to the texture of life painting or writing this anthology assembles thirteen key essays in art history and cultural theory by Russian language writers The essays erase boundaries between high and low official and dissident avant garde and socialist realism art and everyday life Everything visual is deemed worthy of analysis whether painting or propaganda banners architecture or candy wrappers mass celebrations or urban refuse Most of the essays appear here in English for the first time The editors have selected works of the past twenty years by philosophers literary critics film scholars and art historians Also included are influential earlier essays by Mikhail Bakhtin V N Voloshinov and Sergei Eisenstein Compiled for general readers and specialists alike **Tekstura: Russian Essays on Visual Culture** Alla Efimova, Lev Manovich, 1993 [Soviet Hieroglyphics](#) Nancy Condee, 1995 The Russian and American contributors share a very high level of expertise and an impressive command of their material which ranges from film to billboards to currency Everything in this book including the introduction is worth reading consistently fascinating Choice a lightning rush of images and ideas that constitute inviting material for future speculation Times Literary Supplement This collection of essays is a fine even an exhilarating piece of work Her brilliant analysis surveys a kaleidoscope of breaks and continuities between literature and non print media high culture and popular culture homo sovieticus and homo russicus Slavic and East European Journal Of interest for scholars in several disciplines [Soviet Hieroglyphics](#) provides many insights into recent Russian visual culture Canadian Slavonic Paper These incisive essays describe contemporary Russian culture under conditions of social collapse Focusing on visual culture the book highlights the recurrent tension between two opposing tendencies in Russia today the impulse to eradicate the cultural hieroglyphics of the Soviet past and the compulsion to reinscribe those sacred images onto contemporary texts *Russian Aviation, Space Flight and Visual Culture* Vlad Strukov, Helena Goscilo, 2016-09-13 Among the many successes of the Soviet Union were inaugural space flight ahead of the United States and many other triumphs related to aviation Aviators and cosmonauts enjoyed heroic status in the Soviet Union and provided supports of the Soviet project with iconic figures which could be used to bolster the regime's visions self confidence and the image of itself as forward looking and futuristic This book explores how the themes of aviation and space flight have been depicted in film animation art architecture and digital media Incorporating many illustrations the book covers a wide range of subjects including the representations of heroes the construction of myths and the relationship between visual art forms and Soviet Russian culture and society **The Visual Dominant in Eighteenth-Century Russia**

Marcus C. Levitt, 2011-10-01 The Enlightenment privileged vision as the principle means of understanding the world but the eighteenth century Russian preoccupation with sight was not merely a Western import In his masterful study Levitt shows the visual to have had deep indigenous roots in Russian Orthodox culture and theology arguing that the visual played a crucial role in the formation of early modern Russian culture and identity Levitt traces the early modern Russian quest for visibility from jubilant self discovery to serious reflexivity to anxiety and crisis The book examines verbal constructs of sight in poetry drama philosophy theology essay memoir that provide evidence for understanding the special character of vision of the epoch Levitt s groundbreaking work represents both a new reading of various central and lesser known texts and a broader revisualization of Russian eighteenth century culture Works that have considered the intersections of Russian literature and the visual in recent years have dealt almost exclusively with the modern period or with icons *The Visual Dominant in Eighteenth Century Russia* is an important addition to the scholarship and will be of major interest to scholars and students of Russian literature culture and religion and specialists on the Enlightenment

Political Posters in Central and Eastern Europe, 1945-95 James Aulich, Marta Sylvestrová, 1999 Publikacja towarzysząca wystawie Sign of the times Manchester Metropolitan University 17 11 1999 31 01 2000 Visions of Avant-Garde Film Kamila Kuc, 2016-12-12 Warsaw and London based filmmakers Franciszka and Stefan Themerson are often recognized internationally as pioneers of the 1930s Polish avant garde Yet from the turn of the century to the end of the 1920s Poland's literary and art scenes were also producing a rich array of criticism and early experiments with the moving image that set the stage for later developments in the avant garde In this comprehensive and accessible study Kamila Kuc draws on myriad undiscovered archival sources to tell the history of early Polish avant garde movements Symbolism Expressionism Futurism and Constructivism and to reveal their impact on later practices in art cinema

Surface and Apparition Yeseung Lee, 2020-11-12 Surface is one of the most intensely debated topics in recent arts humanities and social science scholarship The changing technologies which manufacture the actual and virtual surfaces of today are radically altering our perception of thresholds and borders In contrast to the responses to preceding industrial revolutions

contemporary concerns with surface seem preoccupied with its function of mediation or passage rather than with that of separation or boundary In Surface and Apparition each chapter explores a different meaning and function of the material and immaterial qualities of surface Case studies include various surfaces from computer screens artisanal engines and glass architecture to gauzy veils the planetary surface of supply chain capitalism and spatial embodiment in street markets International scholars of design architecture film media fine art fashion textiles silversmithing woodworking and archival practices account for how the material and the immaterial draw attention to each other in both their everyday and artistic practice Each chapter addresses particular systems from the human body to manually operated tools and machines materials for instance cloth wood and light modes of attention movement and engagement Surface therefore functions in this book as a multidisciplinary method for attending to critical issues concerning human creative and technological endeavours

Work and the Image Valerie Mainz, Griselda Pollock, 2018-02-06 This title was first published in 2000 Published in two volumes Work and the Image addresses a critical theme in contemporary social and cultural debates whose place in visual representation has been neglected Ranging from Greek pottery to contemporary performance and exploring a breadth of geo national perspectives including those of France Britain Hungary Soviet Russia the Ukraine Siberia and Germany the essays provide a challenging reconsideration of the image of work the meaning of the work process and the complex issues around artistic activity as itself a form of work even as it offers a representation of labour With a shared focus on the 20th century the era of modernity and its postmodern aftermath the essays in this volume examine the diverse ways in which the social relations of work in industrial societies from both capitalist and socialist regimes were publicly and privately mediated by changing forms of visual representation The authors discuss traditional analyses of the image of the worker in the light of contemporary critical theories that address the question of the subjectivity of the worker in relation to class gender nationhood and the concept of modernity
