Atkin, 2011 This book won the Ohio Professional Writer s Inc

2014 Communication Competition Award Now in its second edition *The Televiewing Audience* is a user's guide for the only household appliance that doesn't come with one. Watching television seems relatively effortless; it is after all a major form of entertainment in the U.S. and overseas yet this book argues that there is nothing simple about watching television; it is a learned activity which is in a constant state of revision and upgrading. Now more than ever televiewing requires the generation and application of critical thinking to guide program selection, inform appreciation, generate greater pleasure and inspire dialogue after consumption. This book is about becoming a more thoughtful and informed consumer designed to shatter the anonymity of the televiewer and to create a sense of community for we rarely think of ourselves as instrumental in the televiewing experience or think of the experience as a shared event. Designed for courses related to broadcasting, media effects, media literacy and audience studies, this book provides a comprehensive overview of the ways in which television influences the way we think about ourselves and our culture. It places us center stage in the extremely complicated, competitive, creative and costly endeavor that is television.

Right Here on Our Stage Tonight! Gerald Nachman, 2009-11-05 Before the advent of cable and its hundreds of channels, before iPods and the Internet, three television networks ruled America's evenings. And for twenty three years Ed Sullivan, the Broadway gossip columnist turned awkward emcee, ruled Sunday nights. It was Sullivan's genius to take a worn out stage genre, vaudeville, and transform it into the TV variety show, a format that was to dominate for decades. *Right Here on Our Stage Tonight!* tells the complete saga of *The Ed Sullivan Show* and through the voices of some 60 stars interviewed for the book brings to life the most beloved, diverse, multi-cultural and influential variety hour ever to air. Gerald Nachman takes us through those years from the earliest dog acts and jugglers to Elvis Presley, the Beatles and beyond. Sullivan was the first TV

impresario to feature black performers on a regular basis including Nat King Cole Pearl Bailey James Brown and Richard Pryor challenging his conservative audience and his own traditional tastes and changing the face of American popular culture along the way No other TV show ever cut such a broad swath through our national life or cast such a long shadow nor has there ever been another show like it Nachman s compulsively readable history illustrated with classic photographs and chocked with colorful anecdotes reanimates The Ed Sullivan Show for a new generation **Woman Up** Julia
