Library Editions: Occultism Various, 2022-07-30 The volumes in this set originally published between 1978 and 1992 draw
together research by leading academics in the area of the occult and provide a rigorous examination of related key issues
The collection examines occultism from a broad range of disciplines from shamanism and the occult tarot to the esoteric and
spiritualism It includes volumes across the disciplines of religion covering new religious movements spiritualism ritual and
magic practices The three books that comprise this set include investigations into the evolution of occultism as well as the
history and practices of the occult as a religious movement This collection brings back into print insightful and detailed books
and will be a must have resource for academics and students not only of religion and anthropology but also of history and
psychology **The entangled legacies of empire** Paul Gilbert, Clea Bourne, Max Haiven, Johnna Montgomerie, 2023-02-14
More than 25 experts from around the world have contributed to this unique and provocative book In a series of illuminating
short essays each author has presented a striking image as an invitation to consider the ghosts of colonialism and
imperialism in today's global economy In defiance of those who claim that today's capitalist system is free of racism and
exploitation this book shows that the past is not behind us it defines our world and our lives This book takes the reader on a
global tour from Malaysia to Canada from Angola to Mexico from Libya to China from the City of London to the Australian
outback from the deep sea to the atmosphere Along the way we meet the financiers artists advertisers activists and everyday
people who are grappling with the entangled legacies of empire **Rolling Thunder** Joey R. Jochmans, 1980
