Telephone Boxes:

Telephone Boxes Neil Johannessen, 2010-04-20 For such a familiar part of the British scene the telephone box is something of an unknown entity What was its story Why was it the way it was Who designed it What came before it This generously illustrated book answers these questions and more It is a concise history of the most ubiquitous of all street furniture kiosks being found in the busiest city streets and the most remote countryside From the earliest to the latest and from mass produced to the quaintest of unique designs this books also acts as a spotter s guide Included are listings of sites that can be visited valuable information on kiosk preservation and something on the companion police and emergency telephone kiosks
