Encyclopedia of American Race Riots Walter C. Rucker, James N. Upton, 2006-11-30

Race riots are the most glaring and contemporary displays of the racial strife running through America's history. Mostly urban, mostly outside the South and mostly white instigated, the number and violence of race riots increased as blacks migrated out of the rural South and into the North and West's industrialized cities during the early part of the twentieth century. Though white-on-black violence has been the most common form of racial violence, riots involving Asians and Hispanics are also included and examined. Race riots are the most glaring and contemporary displays of the racial strife running through America's history. Mostly urban, mostly outside the South and mostly white instigated, the number and violence of race riots increased as blacks migrated out of the rural South and into the North and West's industrialized cities during the early part of the twentieth century. While most riots have occurred within the past century, the encyclopedia reaches back to colonial history, giving the encyclopedia an unprecedented historical depth. Though white-on-black violence has been the most common form of racial violence, riots involving other racial and ethnic groups such as Asians and Hispanics are also included and examined. Organized A-Z topics include notorious riots like the Tulsa Riots of 1921, the Los Angeles Riots of 1965 and 1992, the African American community's preparedness and responses to this odious form of mass violence, federal responses to rioting, an examination of the underlying causes of rioting, the reactions of prominent figures such as H. Rap Brown and Martin Luther King Jr. to rioting, and much more. Many of the entries describe and analyze particular riots and violent racial incidents, including the following: Belleville, Illinois Riot of 1903; Harlem, New York Riot of 1943; Howard Beach Incident, 1986; Jackson State University Incident, 1970; Los Angeles, California Riot of 1992; Memphis, Tennessee Riot of 1968; Red Summer Race Riots of 1919; Southwest Missouri Riots, 1894-1906; Texas Southern University Riot of 1967. Entries covering the victims and opponents of race violence include the following: Black Soldiers; Lynching of Black Women; Lynching of Diallo Amadou Hawkins; Yusef King; Rodney Randolph; A. Philip Roosevelt; Eleanor Till; Emmett; Lynching of Turner; Mary; Lynching of Wells; Barnett; Ida B. Many entries also cover legislation that has addressed racial violence and inequality, as well as groups and organizations that have either fought or promoted racial violence, including the following: Anti-Lynching League; Civil Rights Act of 1957; Economic Opportunity Act of 1964; Ku Klux Klan; National Association for the Advancement of Colored People; NAACP; Nation of Islam; Vigilante Organizations; White League. Other entries focus on relevant concepts, trends, themes, and publications. Besides almost 300 cross-referenced entries, most of which conclude with lists of additional readings, the encyclopedia also offers a timeline of racial violence in the United States, an extensive bibliography of print and

electronic resources a selection of important primary documents numerous illustrations and a detailed subject index [New Theatre Quarterly 55: Volume 14, Part 3](#) Clive Barker, Simon Trussler, 1998-11-19 New Theatre Quarterly provides an international forum where theatrical scholarship and practice can meet and where prevailing dramatic assumptions can be subjected to vigorous critical questioning

The Kerner Report United States. National Advisory Commission on Civil Disorders, National Advisory Commission on Civil Disorders, 2016-05-17 The Kerner Report is a powerful window into the roots of racism and inequality in the United States Drawing together decades of scholarship showing the widespread and ingrained nature of racism the report provided an important set of arguments about what the nation needs to do to achieve racial justice one that is familiar in today's climate Back cover

[Flak-Catchers](#) Lindsey Lupo, 2010-12-02 Flak Catchers explores the ways in which riot commissions the institutional bodies appointed by an executive in the aftermath of a race riot to determine a riot timeline investigate causes and offer prescriptions for change have dealt with racial violence in the United States over the last century In studying five riots and their commissions Chicago 1919 Harlem 1935 Los Angeles 1965 USA 1967 and Los Angeles 1992 this book shows that riot commissions only serve to give the appearance of strong and responsive government action during uncertain times They primarily benefit the instituting body by focusing on a restoration of law and order while undermining any larger civil rights message However this book also challenges the prevalent idea that riot commissions are all the same by revealing how riot commissions have changed over the last century shifting in their prominence content and focus After the 1968 Kerner Commission which studied the 1967 summer riots it has become increasingly common for the riot commission to fail to answer fundamental questions posed by the crisis
