**Television in American Society** Laurie Collier Hillstrom, UXL., 2006-10 A cumulative index to the almanac biographies and primary sources volumes of Television in American Society      **Television in American Society** Glenn Alan Cheney, 1983-01-01 In examining America's enthrallment with television such aspects of the ultimate mass medium are explored as television and children television and truth television as business and the future of television in the United States

*The Eye That Doesn't Blink: Television in an American Society* Pasquale De Marco, In the ever evolving landscape of American society television has emerged as a ubiquitous force shaping our cultural fabric informing our perspectives and entertaining our masses This comprehensive volume delves into the intricate relationship between television and American society exploring its profound impact on our values beliefs and behaviors From its humble beginnings to its current status as a household staple television has transformed the way we communicate learn and experience the world around us It has the power to educate and inform to inspire and uplift and to challenge and provoke Yet it can also be a source of division perpetuating stereotypes and fueling societal tensions This book delves into the complex interplay between television and American culture examining how television programs reflect and influence our values beliefs and behaviors It explores the ways in which television shapes public opinion sets social norms and influences political discourse Furthermore the book analyzes the impact of television on our physical and mental health examining the link between excessive television viewing and issues such as obesity sleep deprivation and mental health disorders It also explores the role of television in promoting healthy behaviors and providing access to healthcare information With its insightful analysis and engaging prose this book offers a comprehensive understanding of the multifaceted relationship between television and American society It is essential reading for anyone seeking to understand the role of this powerful medium in shaping our lives If you like this book write a review      **Big World, Small Screen**, 1992      **Television in American Society** Laurie Collier Hillstrom, 2006 Presents an overview of the aspects of television broadcasting and their impact on American society      **Television, History, and American Culture** Mary Beth Haralovich, Lauren Rabinovitz, 1999 In less than a century the flickering blue gray light of the television screen has become a cultural icon What do the images transmitted by that screen tell us about power authority gender stereotypes and ideology in the United States Television History and American Culture addresses this question by illuminating how television both reflects and influences American culture and identity The essays collected here focus on women in front of behind and on the TV screen as producers viewers and characters Using feminist and historical criticism the contributors investigate how television has shaped our understanding of gender power race ethnicity and sexuality from the 1950s to the present The topics range from the role that women broadcasters played in radio and early television to the attempts of Desilu Productions to present acceptable images of Hispanic identity from the impact of TV talk shows on public discourse and the politics of offering viewers positive images of fat women to the negotiation of civil rights feminism and

abortion rights on news programs and shows such as *I Spy* and *Peyton Place* Innovative and accessible this book will appeal to those interested in women's studies American studies and popular culture and the critical study of television Contributors Julie D Acci Mary Desjardins Jane Feuer Mary Beth Haralovich Michele Hilmes Moya Lockett Lauren Rabinovitz Jane M Shattuc Mark Williams **Fast Forward** Les Brown, Savannah Waring Walker, 1983 Television in American Society Laurie Collier Hillstrom, 2006 Presents an overview of the aspects of television broadcasting and their impact on American society Big World, Small Screen, 1992-01-01 Big World Small Screen assesses the influence of television on the lives of the most vulnerable and powerless in American society children ethnic and sexual minorities and women Many in these groups are addicted to television although they are not the principal audiences sought by commercial TV distributors because they are not the most lucrative markets for advertisers This important book illustrates the power of television in stereotyping the elderly ethnic groups gays and lesbians and the institutionalized and thus in contributing to the self image of many viewers They go on to consider how television affects social interaction intellectual functioning emotional development and attitudes toward family life sexuality and mental and physical health for example They illustrate the medium's potential to teach and inform to communicate across nations and cultures and to induce violence callousness and amorality Parents will be especially interested in what they say about television viewing and children Finally they offer suggestions for research and public policy with the aim of producing programming that will enrich the lives of citizens all across the spectrum Nine psychologists members of the Task Force on Television and Society appointed by the American Psychological Association have collaborated on Big World Small Screen Television Program Master Index Charles V. Dintrone, 1996 Television history has become one of the hottest areas of research in popular culture Because the field is relatively new and so wide ranging no matter what one is researching much of the relevant material will be found scattered through numerous other works frustrating scholarly progress This work makes the television researcher's job easier by providing a single index to 341 books that include information on 1 002 shows Most of the books deal exclusively with television though some autobiographies biographies Congressional hearings and works on communication and the media are also indexed For a show to be included it must have been carried on NBC CBS ABC or Fox and must have been a series Shows on PBS are generally not included though exceptions have been made for *Sesame Street* and *Mister Rogers Neighborhood* *Television Histories* Gary R. Edgerton, Peter C. Rollins, 2014-10-17 From Ken Burns's documentaries to historical dramas such as *Roots* from A E's Biography series to CNN television has become the primary source for historical information for tens of millions of Americans today Why has television become such a respected authority What falsehoods enter our collective memory as truths How is one to know what is real and what is imagined or ignored by producers directors or writers Gary Edgerton and Peter Rollins have collected a group of essays that answer these and many other questions The contributors examine the full spectrum of historical genres but also institutions such as the History Channel and production histories of such series as *The*

Jack Benny Show which ran for fifteen years The authors explore the tensions between popular history and professional history and the tendency of some academics to declare the past off limits to nonscholars Several of them point to the tendency for television histories to embed current concerns and priorities within the past as in such popular shows as Quantum Leap and Dr Quinn Medicine Woman The result is an insightful portrayal of the power television possesses to influence our culture

**Television in Society** Arthur Asa Berger, 2017-09-29 Is television a cultural wasteland or a medium that has brought people more great art music dance and drama than any previous media How do we study and interpret television What are the effects of television on individuals and society and how do we measure them What is the role of television in our political and economic life Television in Society explores these issues in considering how television both reflects and affects society The book is divided into two sections The first focuses on programming and deals with commercials ceremonial events important series such as MASH and Lou Grant significant programs a production of Brave New World on television and the images of police on the medium The second part of the book deals with important issues and topics related to the medium the impact of television violence values found on television the impact of television on education the significance of new technological developments and the always thorny issue of freedom of the press The articles are drawn together by a brilliant introductory essay by Arthur Asa Berger who examines television as culture

**Television and Behavior** National Institute of Mental Health (U.S.), 1982 Abstract A comprehensive report summarizes the past 10 years of research activities and findings concerning the effects of television viewing on child behavior and development Approximately 90% of all research publications on this topic appeared during this period representing over 2500 titles The report is presented in 2 volumes a summary report and technical reviews The technical reviews comprise overall comprehensive and critical syntheses of the scientific literature on specific topic areas developed by 24 researchers in this area The topic areas address such issues as cognitive and emotional aspects of television viewing television's influences on physical and mental health television as it relates to socialization and viewer's conceptions of social reality and television as an American institution The overall orientation of the report is toward research and public health issues
