Tell Me About God:

Mommy, Tell Me About God Sharanika Curlee, 2019-08-23 I feel it is my responsibility to provide an avenue for young children to learn about God and his promises Raising a child in this world can be scary and difficult therefore I am dedicated to using the gifts I have been blessed with to influence the lives of children and their parents My son has been my biggest source of inspiration He has inspired me to pursue my lifelong dream of becoming a professional author I have now completed my first Christian children s book The main character of this book Mommy Tell Me about God is also my biggest inspiration my son Ian While our life experiences shape our outlook on life they also guide the way we pursue our future interests My name is Sharanika Curlee I was born and raised in a small town called Corinth MS Getting to know God for myself I quickly realized the importance of giving back I have been blessed to work in a variety of settings and had the opportunity to encounter many people whom I have been blessed to spread the word of God I have worked as a optician for 14 years certified financial loan officer for 3 years licensed cosmetologist for 12 years and jewelry designer 10 years While wearing many hats throughout my career I have been blessed to cross paths with many people to whom I was able to grace with God s word I have always had a desire to make a greater impact As a single parent to a five year old son I understand the importance of rearing him in a manner that provides him with the foundation to become a happy healthy young man with a heart for not only serving God but also to be a vessel of hope and help to others In today s society there are always opportunities to do wrong and become engulfed in a way of life that produces unfavorable results Teach them early and if they stray they have the knowledge that was instilled in them at a young age to find their way back to God **What the**

Prayers of Jesus Tell Us About the Heart of God Rev. Shane Stanford, 2015-10-20 More than any other part of his ministry Jesus prayers inform and engage his intentions for how the gospel would change lives and affect the world When we take time to review the moments when Jesus prayed with his disciples or went away to pray alone we engage both a story and a set of lessons Jesus doesn t just pray as a means to be with the Father he uses prayer as an instructional Discover Jesus own hopes and desires when he prayed for us to Have a relationship with the Father Be shaped by God s wisdom and guidance Be united with one another Bring glory to God Have consistency in our spiritual life What the Prayers of Jesus Tell Us About the Heart of God refines our understanding of Jesus plans for his disciples both in that first century and for every century to follow By witnessing even the most intimate moments between the Father and the Son we can learn something about the big plan God has for our lives **What the Prayers of Jesus Tell Us About the Heart of God Leader Guide**

Rev. Shane Stanford, 2015-10-20 In What the Prayers of Jesus Tell Us About the Heart of God author Shane Stanford introduced five prayer focuses the five purposes Jesus had for praying to his Father that reveal Christ s hopes and desires for how we might also commune with God Now in this coordinating leader guide Stanford provides helpful direction for groups wishing to study Jesus prayers together Five sessions coordinate with each of the five chapters of the book Designed for a 45

to 60 minute meeting Discussion questions engage group interaction Group activities and easy to reproduce handouts provided for life application Additional leader prompts closing prayers Scripture references and summaries are included

Edwards,2010-03-15 As a child Maria Luisa Jimenez Edwards wanted to be a missionary It held an indescribable allure for her an intrinsic pull that was aching to spread the Good News of Jesus In the pages of this book join her as she embarks on a personal and spiritually challenging journey to the jungles of Ecuador It is virtually impossible to describe a missionary life meaningfully to someone who has never experienced it She wants to encourage readers to find their own paths to follow God as others in the midst of utmost poverty have found As she wrote these stories she was inspired and challenged anew Years of participation in the western lifestyle has weakened a passionate faith in a God of power and miracles From the story of a village of destitute women who dropped everything to come to the aid of a grandmother dying of cancer to the family who already had seven children but chose to accept an orphan you will also be inspired by the faith of those who rely on God alone You will see opportunities to be a part of the miracle if you open your eyes to Gods vision The Love and Power of God proves that His Word conquers all bringing people together to arm themselves with unconditional love achieving wonders for themselves their families and communities *The Collected Works of Henry Drummond* Henry Drummond,2022-11-13 In

The Collected Works of Henry Drummond readers are presented with a comprehensive anthology of the writings of a pivotal figure in late 19th century thought encompassing themes of spirituality science and the human condition Drummond s literary style is characterized by its eloquence and deep philosophical inquiry seamlessly blending empirical reasoning with heartfelt emotion This collection not only showcases his seminal work The Natural Law in the Spiritual World which elucidates the harmony between science and faith but also includes essays and sermons that reflect his commitment to the social issues of his time inviting readers into a rich conversation on morality and belief systems in a rapidly modernizing world Henry Drummond 1851 1897 was a Scottish preacher teacher and author whose insights were shaped by both his religious upbringing and his scientific education Influenced by the social challenges of his era including industrialization and secularism Drummond sought to explore how spiritual truths could coexist and complement scientific discoveries His role in the Social Gospel movement further underscored his dedication to addressing societal woes making his works not only spiritually enlightening but also socially relevant This collected volume is an essential read for those interested in the intersection of faith science and ethics appealing to scholars theologians and general readers alike Drummond s profound insights continue to resonate making this compilation a vital resource for understanding the evolution of modern thought and

its implications for contemporary society **Natural Law In The Spiritual World** Henry Drummond, 2014-05-12 No class of works is received with more suspicion than those which deal with Science and Religion Science is tired of reconciliations between two things which never should have been contrasted Religion is offended by the patronage of an ally which it professes not to need and the critics have rightly discovered that in most cases where Science is either pitted against Religion or fused with it there is some fatal misconception to begin with as to the scope and province of either But although no initial protest probably will save this work from the unhappy reputation of its class the thoughtful mind will perceive that the fact of its subject matter being Law a property peculiar neither to Science nor to Religion at once places it on a somewhat different footing **Children's Spirituality, Second Edition** Kevin E. Lawson, Scottie May, 2019-06-13 The Society of Children's Spirituality Christian Perspectives launched in 2003 with its first conference held at Concordia University Chicago in River Forest Illinois An earlier edition of this book composed of chapters based on presentations from that conference was published in 2004 In 2018 a decision was made to revise this book from the inaugural conference updating some chapters and providing a new perspective on the ongoing work of the organization now called the Children's Spirituality Summit For example given the advances in what we are learning from brain research a chapter on this topic has been extensively updated What this revised volume provides is a collection of chapters offering theological perspectives social science research and insights on ministry practice about the spiritual lives of children how they relate to God how this relationship grows and what helps in promoting the spiritual formation and vitality of children in the home church and school This book offers twenty three chapters by professors graduate students social science researchers and ministry leaders from different denominational traditions addressing a wide range of issues in theory research and ministry practice with children This second edition offers much to learn from stimulate your thinking and improve your practice
