## **Tell The World:**

*I Dance to Tell the World's Stories* Tilda Baranova, Benchmark Education Company, LLC, 2013      **The World's Work**, 1919 A history of our time      Missing Teeth Dr. Linda Johnson, 2021-12-03 It is my desire that the individuals who read this book will go on a journey of self discovery just like I did This book is designed for us to understand that our teeth are more important than we realize and that having healthy teeth is the first step toward good health Discrimination is the end result of prejudice racism and the wielding power of the world's institutions By institutions I am referring to those giant buildings that seem to have heavy metal doors that are normally locked from the inside The keeper of the keys is the system that has been set in place by the institution that allows one group to enter and by the same token locks other groups out Behind the heavy metal doors is a picture on the wall with a perfect smile on it And if your teeth are straight white perfect and are all present you will hear a big clinking sound The dead bolt will slide to the left and the door will open wide for you It really does not matter what race you are Anyone who has this perfect smile is granted the rite of passage in which the criteria have changed over the years When I set out to write this book my thoughts were with individuals who were suffering shame and others who were struggling with the plight of missing teeth If we do not make our teeth a priority in our youth they will not be around to serve us in our old age Hopefully parents reading this book can give their children a better start My desire is that in the future after reading this book we will be more inclined to have compassion and understanding with individuals who are struggling with their dental issues      **In the Image of God** Shirley Mayhood, 2022-05-02 We were created in the image of our Creator It was a perfect and loving relationship but when Adam and Eve chose evil over that relationship with their Creator that image of God we were created with was lost to us In our world today many Christians are more attuned to the world than to God's Word Many seem to have the attitude that because they are in the world they must be like the world But this world is not anything like God and Christians need to come to the certain knowledge that they are in the world but not of the world We as God's kids are not to live in the image of a lost world careening into a dark and bottomless pit of pure evil Jesus Christ became our atoning sacrifice so that you and I can return to that original image of God that we were created to be This ought to be our goal in life to be like God to do our very best to live in the image of God This book is a daily devotional of biblical attitudes characteristics of Jesus Christ the deep meaning and example of God's amazing precepts and loving actions God gave us a book to show us His right and loving law but when Jesus came He condensed all of the Father's law into just two Jesus said to him You shall love the Lord your God with all your heart with all your soul and with all your mind This is the first and great commandment And the second is like it You shall love your neighbor as yourself On these two commandments hang all the Law and the Prophets Matthew 22 37 40 It is my sincere hope that this book of devotions will help all who read it to know God better to love Him more and to understand what the true image of God means 451      **More Ready-to-tell Tales from Around the World** David Holt, Bill Mooney, 2000 A multicultural collection of traditional tales
