Tell It Slant The Christian Gospel And Its Communication:

Tell It Slant John Tinsley,1990-01-01 *A Persevering Witness* Elizabeth Davey,2016-05-16 Margaret Avison one of Canada's premier poets is a highly sophisticated and self-conscious writer both charming and intimidating at the same time. She calls to mind her more famous predecessors the religious poets George Herbert, Gerard Manley Hopkins, and T. S. Eliot as she vigorously engages both heart and intellect. She has forged a way to write against the grain some of the most humane, sweet, and profound poetry of our time. Winner of the 2003 Griffin Poetry Prize, becoming a Christian in her mid-forties, her life and her vocation were transformed, and her lyrics record that shift. In *Muse of Danger* she writes to Christian college students: But in His strange and marvelous mercy God nonetheless lets the believer take a necessary place as a living witness in behavior with family and classmate and stranger in conversation or in a poem. How she blends her twin passions of poetry and Christian faith becomes a story of a kind of perseverance. Readers who respond with understanding and empathy recognize both the distinctive mystery of poetic witness and the mystery inherent in Christ's saving work to which it points. Her enduring witness becomes an implicit call for us to persevere in what Avison identifies as the mix of resurrection life and marred everyday living. *Ordinary Theology* Jeff Astley,2017-07-05 Ordinary theology is Jeff Astley's phrase for the theology and theologizing of Christians who have received little or no theological education of a scholarly, academic, or systematic kind. Astley argues that an in-depth study of ordinary theology, which should involve both empirical research and theological reflection, can help recover theology as a fundamental dimension of every Christian's vocation. *Ordinary Theology* analyses the problems and possibilities of research and reflection in this area. This book explores the philosophical, theological, and educational dimensions of the concept of ordinary theology, its significance for the work of the theologian as well as for those engaged in the ministry of the church, and the criticisms that it faces. Ordinary theology, Astley writes, is the church's front line. Statistically speaking, it is the theology of God's church. *The Good News of the Return of the King* Michael T. Jahosky,2020-09-15 Although many people today reject Christianity for intellectual reasons, greater numbers of people are rejecting Christianity because it does not engage their imagination. Christians must not only demonstrate that the Christian worldview is true but that it is also good, beautiful, and relevant. *The Good News of the Return of the King: The Gospel in Middle-earth* is a book that endeavors to show the truth, goodness, and beauty of Jesus Christ, the gospel, and the biblical metanarrative by engaging the imagination through J. R. R. Tolkien's *The Lord of the Rings* as well as *The Hobbit* and *The Silmarillion*. In this book, I propose that J. R. R. Tolkien's *The Lord of the Rings* is a story about what Jesus' parables are about: the good news about the return of the king. As a work of imaginative fiction similar to Jesus' parables, *The Lord of the Rings* can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many. *Epworth Review*, 1991 *Restoring the Vocation of a Christian College* Brad Pardue, Andrew T. Bolger,2022-05-19 *Restoring the Vocation of a Christian College* examines the vocation of a Christian institution of higher

learning to faithfully educate students and how individual Christian teachers and scholars can participate in this process no matter their discipline It surveys and engages developments over the last few decades in Christian worldview studies Christian pedagogy character formation and vocational reflection Through individual essays by college administrators cocurricular staff and faculty from a wide range of disciplines it provides both thoughtful reflection and concrete application of these often abstract concepts to specific institutional settings and the actual classroom experience

Disciple Making in a Culture of Power, Comfort, and Fear Matthew T. Dickerson, 2020-06-08 Speaking in and to a culture that worships power and comfort while cultivating fear as a manipulative tool Matthew Dickerson offers a transformative alternative authentic discipleship and disciple making What does it mean to live as disciples of Christ what would it look like to be transformed by the Holy Spirit and how can we be open to that transformation How can a follower of Christ live as salt and light in the midst of a power hungry fear mongering society And how can we both teach and model that disciple life as we obey Christ s command to make disciples In the tradition of spiritual theology and formation Disciple Making in a Culture of Power Comfort and Fear draws deeply from Paul s Second Epistle to Timothy viewed as a reflection on Jesus great disciple making commission as well as on Dickerson s own experiences in disciple making ministry on college campuses and his local church Dickerson s writing is deeply informed by Scriptures by the works of such important Christian thinkers theologians and writers as Eugene Peterson John Stott and Richard Foster and also by the literature of C S Lewis and J R R Tolkien whose works he has been teaching and writing about for more than thirty years

Onward Christian Soldiers? Derek J. Cheek, 2018-08-28 You ve probably heard someone say I go to a Bible believing church The implication is pretty clear if you go somewhere else you re attending a Bible doubting church Some fundamentalist and

evangelical pastors actually say just that from their pulpits It s branding genius It s also dismissive of most of Christianity In this book I hope to reclaim words like moderate and progressive as a style of spirituality that actually reflects Jesus teaching My goal is to present a scriptural basis for the beliefs of the other half of American Protestantism I hope that those who read this book see that our differences from fundamentalist and evangelical congregations are grounded on an abiding trust in God s goodness especially as we see it in Jesus It s my desire to establish how discipleship in our communities is driven by the belief that the sacrificial love we see expressed by Jesus for us should also be expressed by us in our everyday lives Jesus calls us to follow his way of life which is reflected in the Beatitudes That kind of Christianity looks a lot different from what is being taught in most big box churches across the country
