Crew,2015-09-16 The Ku Klux Klan has received much attention for its violent activities but comparatively little research has been done on its musical legacy The printed music that still exists is spread throughout the nation in both public and private collections This work presents chronologically the music associated with the Klan from 1867 to 2002 thus enabling readers to sense the arguments and attitudes of the Klan as they developed and changed over time Because of the relative scarcity of Klan related music non Klan music that mentions the word Klan is included These obscure references help place the Klan in a larger social perspective and are very important in documenting anti Klan musical reaction In instances where a song merely mentions the Klan usually in only one verse or in the chorus then only that verse containing the Klan reference plus appropriate context is included The catalogue also includes Klan related music that does not have lyrics such as marches waltzes two steps and several Klan related pieces that were published in Europe Sheet music was virtually nonexistent after the 1930s so in order to capture a feeling of Klan related music today a limited discography of Klan related recordings from 1920 to 2002 is also included Shielded by God's Power Dorothy George,2010-10-28 I just finished it and I don t have words to tell you what an impact your book and your life have on me You have been through so much and you have come through it all with such a strength and a compassion for all those around you I am HONORED to be your friend in addition to have a little part in this book You are a natural when it comes to telling your story The ending is perfect I think it lends itself to the reader wanting more So keep writing and I will keep reading Sue Erps My reading has been interrupted several times but I am getting through it I hesitate to say I am enjoying your story because I am horrified by all that you have had to endure It is a real testimony to God s goodness to see the woman you are today Thank you for sharing this with me I am afraid I am not smart enough to offer help in any way except to say that your story so far is gripping I look forward to reading the rest Debi Swim *Philip Phillips's Hallowed Songs ...
