**Aaron in the Snow** Kenneth D. Wilburn, 2023-09-14 *Aaron in the Snow* is a book about how someone who is so set in their ways can be changed by God's love. It also deals with someone who thinks they know everything and is all too smart to learn something new. In this day and time when the only thing you see on TV is borderline stupidity or promoting some kind of sex theme, the world needs to get back to the Word of God. Nowadays everyone is a hero or trying to be a comedian. The world thinks that if you watch and live by the actions portrayed on TV, you're cool or if you display the way they act, you're as tough or as popular as the actors are. *Aaron in the Snow* is a book that should be read by everyone from grammar school up. I have had older people as well as young read the book and cry trying to understand why the world can't be more like the story it tells. I don't look for my book to change the world, but if it reaches just one person, just one life changed, then the work was all worth it. I just ask that you read my book and put yourself in Ashley's place. Try to imagine how her life was and how the Lord has brought her up to where he could use her for his work and his honor and glory.

**Voodoo and Christianity** Joseph P. Policape, 2009-05-29 Tell our stories, my child. It was his mother's last wish. Now three years after her death, he gathers the stories that changed his life forever. Author Joseph P. Policape introduces us to the man responsible for recording these stories of faith's victory in his new book entitled *Voodoo and Christianity: Confrontations between Good and Evil*. Marios flooded memories bring him back to the time of distant wounds. He had witnessed the town of Bainet suffering during its most treacherous times. Once the whole town was slaved by the demonic voodoo spirit until a small band of Protestants started a war against them. His own family had been torn apart by this spiritual war. Marios' mother had been a strong believer of Jesus, while the father had rejected Christianity for his voodoo.

gods Read and discover the struggle that leads to the victory for the Pentecost faith in Voodoo and Christianity After reading this book readers will see how Jesus Christ alone stopped the dominant curse of Satan and his bloody hopeless helpers in Baint Poetry was the river that Mr Policafe dived into to wash off the anger of his soul It helped him to mock his own madness and was his support when he finally forgave himself and the world around him His very first published book had the peculiar title The Birds Love for Poetry and Essays and came out in 2004 Two years later in 2006 an intense creative time he published two books A Spiritual Journey and Interpretations of Romance and now working on two more creations which hopefully will be out in the fall of 2009 Mr Joseph P Policafe has received a gold medal from Famous Poet in 2007 He is a distinguished member of the National Poetry com and Cambridge Whos Who Mr Policafe received his undergraduate degree in economics at the University of Massachusetts in Boston and he completed his graduate degree in management information systems at Lesley University in Cambridge Massachusetts However during those times he was reading writing singing and loving poetry His daytime advocates were rightfully telling him that one poetry was stealing too much of his time from economics and management but he literally and poetically ignored them      **Mysterious Places** Jeffrey Gorney,2014-06-19 In this richly told memoir an American artist s search for lost relatives overseas sheds light on other people in other places and obscure yet chilling aspects of World War II Moving amusing and heartfelt it explores the power of storytelling and memory how past impacts present and the many threads that shape a family destiny      **The Red Chill** Sandman,2009-12-31 The book is Base on a little Maine town that never has anything happen One day a child is found dead and pull apart the locals fear a wild dog or something larger did it The local cops and his friends hunt down this animal and almost a few time became the hunted The book is made to keep you guessing right till the end and will get you thinking in many different ways The main character Dannie falls in love with and man and she has dreams that are bugging her until she fines they are a calling from God to save the little town and its people Lots for thrills and chills will make you sad happy angry The book was fun to write and even made me want to read it more then once
