The stories encompass their travels and travails on leaving home and their struggles in the sweatshops and factories of the garment industry in Canada. Basing her work on extensive interviews Seemah Berson recreates these immigrants' stories about their lives in the Old Country and the hardship of finding work in Canada and she tells how many of these newcomers ended up in the needle trades. Revealing a fervent sense of socialist ideology acquired in the crucible of the Russian Revolution the stories tell of the influence of Jewish culture and traditions of personal and organized fights against exploitation and of struggles to establish unions for better working conditions.
