from the dark ages Of all the methods by which men and women seek to penetrate into the mysteries of Fate and Futurity Cartomancy is one that can claim the distinction of having swayed the human mind from prehistoric times right down to this twentieth century of ours It may be that this book will fall into the hands of those who agree with the words of L Estrange there needs no more than impudence on the one side and a superstitious credulity on the other to the setting up of a Fortune teller This attitude of cynical superiority is sometimes genuine but in many cases if we could read what lies beneath the surface we should find that it is but a cloak worn to conceal a lurking fear an almost irritated condition of mind born of a half confessed faith in the power at which it is so easy to scoff      Tell Fortunes by Playing Cards! P.R.S. Foli,2015-09-19 For hundreds of years men and women have been peering into the future using playing cards trying to catch a glimpse of what is going on in the world and what is to come Now with the aid of this book YOU can learn the mysterious secrets of mediums mystics and gypsy seers who can see beyond the curve of TODAY into the strange unsettling world of TOMORROW Find out about love life money health fortune and more Read Telling Fortunes by Playing Cards and join the ranks of those who see beyond Perfect for parties or learning the secrets of card reading for personal or professional reasons      **Telling Fortunes by Cards: A Symposium of the Several Ancient and Modern Methods as Praciced by Arab Seers and Sibyls and the Romany Gypsies** Mohammed Ali,      **Telling Fortunes by Cards** Cecily Kent,Cicely Kent,1982-04      Telling Fortunes by Cards Mohammed Ali,2016-09-29 Would you like to tell fortunes with cards Don t have a tarot deck at hand There is a long tradition of using playing cards to do readings The 52 card deck originally came from the 78 card tarot deck and it can be used for many of the same things There s a lot of information but you can tackle it a little bit at a time Learning to read cards is an ongoing process and you don t need to be in a hurry about it The art of telling fortunes by cards known professionally as Cartomancy has been practiced for centuries In our day and generation divination by cards is chiefly employed for amusement and pastime for the entertainment of one s self or one s company or at church fairs charity bazars and the like but in the days of the ancients it was practiced by prophets and sibyls as a serious business and so accepted by all from king to peasant      **Cartomancy** Julian Moore,2012-09-21 Get this book learn the system do cool readings David Numen Julian s work is the best of the bunch in these genres I have scoured book stores I only learn from his books and ideas John Cesta My latest ebook which teaches the fundamentals of cartomancy is now ready for release It s similar to my other books in that it s aimed at complete beginners as well as people who ve started learning this particular reading discipline but then given up for one reason or another Like my other books I use a no nonsense approach with lots of memory tips insights reviews and exercises over ninety pages to help you get up to speed as quickly as possible and the whole experience is extremely hands on In fact part of the process involves scribbling on the cards a lot to make sure the basics are implanted in your mind as you go I m really hoping that this new book gets some of you on the road to giving proper and interesting readings with cards instead of just thinking about it There s a lot more information hidden in those fifty two bits of paper than you probably

realise REVIEWS I got this yesterday and have started the study and have to say it s quite brilliant I ve read cards of one form or another for 20 years after learning initially from the Joe Riding course but for various reasons I was looking for something to help me sharpen my skills and this more than does the trick For anyone who might feel that they d rather this was on tarot I think it s worth pointing out that when I started doing readings many moons ago a number of clients would tell me of this mystical sounding old man who read from ordinary cards It was clear that the impression given to these women was that reading ordinary cards was somehow more skillful and impressive than tarot cards I guess the pictures on the cards might make it obvious to some astute clients that there are highly visible cues on the cards Playing card readings rock and playing cards predate tarot and are thus in my book purer and more mysterious than tarot David Numen I purchased this ebook What a great system Always in the easily understood clear writing format you d expect from Julian This is of a quality you would expect to find in a book store I have in the past purchased Julian s James Bond Cold Reading book and his Palm Reading book For me this is one of the best I find I am more in tune with numbers than the others I always have a deck of cards and certainly the places I frequent there are cards as well The fact that you can use a few cards a few more to create a simple or more complex reading is terrific Make it as long or short as you d like Julian s audio book available for free from his site is also top notch Lots of valuable audio files to use while driving or sitting in a Doctor s office Certainly worth the asking price If you have any of Julian s other offerings you know what I mean If you don t have any of Julian s other offerings don t hesitate His metaphors and memory links make sense and they work John Cesta OTHER KINDLE BOOKS IN THE SPEED LEARNING SERIES BY JULIAN MOORE Speed Learning Graphology The Art Of Handwriting Analysis Speed Learning The James Bond Cold Reading Speed Learning Palmistry Palm Readings In Your Own Words
