Thats Me Sloppy Stanley:

That's Me, Sloppy Stanley! Brenda Jackson, Helene Chirinian, Ronald L McDonald, 1988 **Beast** Richard Van Camp, 2024-10-12 Returning to a favourite Northwest Territories setting Richard Van Camp brings his exuberant style to a captivating teen novel that blends the supernatural with 1980s era nostalgia to reflect on friendship tradition and forgiveness For as long as Lawson can remember his life in a small Northwest Territories town has revolved around the Treaty between the Dogrib and the Chipewyan set down centuries ago to prevent the return of bloody warfare between the two peoples On the Dogrib side Lawson and his family have done their best to keep the pact alive with the neighbouring Cranes a family with ancestral ties to a revered Chipewyan war chief But even as Lawson and his father dutifully tidy the Cranes property as an act of respect their counterparts offer little more than scowls and derision in return despite the fact that both families are responsible for protecting the treaty Worse still it seems that one of the Cranes boys is doing all he can to revive the old conflict Silver fresh out of jail has placed himself in the service of a cruel ghoulish spirit bent on destroying the peace Now it s up to Isaiah Valentine a Cree Grass Dancer Shari Burns a Metis psychic and Lawson Sauron a Dogrib Yabati or protector to face what Silver Cranes has called back This latest feat of storytelling magic by celebrated author Richard Van Camp blends sharply observed realism and hair raising horror as it plays out against a 1980s era backdrop replete with Platinum Blonde songs and episodes of Degrassi Junior High Unfolding in the fictional town of Fort Simmer the setting of previous Van Camp stories Beast delivers a gripping spirited tale that pits the powers of tradition against the pull of a vengeful past

S. Carroll, 2011-06-15 The Resurrection of the Bodies An apparent double homicide is blended with theology in this fast paced mystery Wes Rinearson is a witty but implacable detective searching for a pair of women who have vanished after facing infidelity and furious quarrels that involve a pastor and an Imam One apparent victim judging from her notes and photos is a woman that Rinearson would have loved to meet a pastors daughter studying for her doctorate in divinity by testing male fidelity and faith

with grim results Rinearson French for son of a fox explodes a minefield of deceptions and predicts the resurrection of the bodies while exploring questions central to the story What has happened in a setting zoned for Yahweh God and Allah featuring a synagogue church mosque and Mormon ward What can explain an also missing multi millionaire whose Garden of Eden like estate is right between the Imams mosque and pastors rectory where the pastors wife and daughter may have died Rinearson realizes that the animosity exceeds the bitterest emotions in his previous hundred cases He foresees that it will turn some simulated murders into actual corpses but his warnings cant avert an ever deadlier duel between the multi millionaire the Imam at the mosque and the divinity student By the time the story ends Rinearson and the divinity student understand that they have grappled not with garden variety suspects but with lethal kinds of faith involving God and Allah
