Small Craft Electronic Equipment Care & Repair David MacLean, 1978 *Code of Federal Regulations* , 1995
Federal Acquisition Regulation: Parts 1 to 51 (2 pts.) , 2001 **Western Machinery and Steel World** , 1918 **The Budget of the United States Government for the Fiscal Year Ending June 30 [1924]**- United States. Bureau of the Budget, 1955 *Government Contracts* Herman R. Holtz, 2012-12-06 He who knows and knows that he knows is wise follow him ANCIENT PROVERB During a long career of public service as a government procurement and contracting official I am still surprised to find big successful corporations making the same mistakes that neophytes in government contracting make And this is particularly true in the matter of writing proposals which are the crucial element in most major procurement awards It is true enough as many suspect that the big well known company has something of an edge over the smaller lesser known company competing for any given government contract psychologically at least The typical government executives whether contracting officials or program managers tend to have a bit more faith in the ability of the large company to carry out the program successfully All things being equal then the big company is more likely to get the nod However because the large companies are well aware of that many tend to become fat dumb and happy they try to coast or rest on their laurels That is they get careless about making a strong enough case for themselves in writing their proposals And when they lose often to smaller companies they are both puzzled and outraged They have forgotten that all government procurement is a competition usually both technical and cost competition and that the little guy can win against the big guy if he tries hard enough And especially if the bigger guy is a bit careless and does not put out his best effort **Western Engineering** , 1918
The Code of Federal Regulations of the United States of America , 1990 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government *Federal Acquisition Circular* United States. Profile , 2000 *Iron Age* , 1922 *The Iron Age* , 1918 *The 1984 Guide to the Evaluation of Educational Experiences in the Armed Services* , 1984 *Heterogeneous Spending, Heterogeneous Multipliers* Umberto Muratori, Pedro Juarros, Daniel Valderrama, 2023-03-10 Do local fiscal multipliers depend on what the government purchases We find that government purchases of services have larger effects on employment than spending on goods Industries producing services are more labor intensive than industries producing goods This heterogeneity in labor intensity is an important mechanism behind these results Spending directed toward labor intensive industries generates stronger increases in employment and labor income relative to spending toward non labor intensive industries **Commerce Business Daily** , 1998-07 *The 1980 Guide to the Evaluation of Educational Experiences in the Armed Services: Coast Guard, Marine Corps, Navy, Dept. of Defense* American Council on Education, 1980 **Federal Register** , 1983 **Forecast of Contracting Opportunities**
