When Vultures Dance Goodwin Michael Goodwin, Michael Goodwin, 2009-12. When Vultures Dance follows Seth Farragut, a young hedge fund manager, as his drive to take over a bankrupt auto supplier leads to an indictment for insider trading. A vulture investor who excels at high-stakes trading of distressed companies' securities, he makes decisions that all too easily cost others their jobs and create plenty of enemies. Under the influence of tough attractive Lauren Hayward, he bets everything on the survival of a small Chicago manufacturing company that could, if he can rescue it, be his career-making score. But his quest spawns an attempted murder, suicide, and the prospect of years in prison. Seth is more than a Type A fast trader; he is a loner who increasingly questions what he does for a living after seeing first-hand the consequences of his actions. He finally meets someone who opens him up to love and a life beyond trading and money. Meanwhile, in the background, Wall Street is in turmoil as the economy tumbles. When Vultures Dance explores themes that are all over today's news: the growing divide between the haves and have-nots, the rule of capitalists over the shrinking blue-collar work force, and the stupendous wealth accumulation by a very few. Goodwin's eye for detail brings the headlines to life.

Little Gangster Victor Joseph Cino, 2015-09-22. It is 1952, and in the opening pages of Little Gangster, Joey D'Angelo, our young Sicilian protagonist, and his friend Johnny Marino are called late at night to First Street Park, where their gangster employer Pepi Savino is in the middle of an argument with another gangster, Nick Bonanti. Immediately after the two twelve-year-old boys arrive in the park, the confrontation becomes violent, and Joey is told by Pepi to carry out a task which risks arrest for Joey and becomes one of the great challenges facing him in the novel. The boys have been running errands for Pepi and earning money for bets on stickball games. Joey has no moral concern about this work until he is called into the office of Peter Capra, Director of The Boys Club of New York, and is offered an opportunity for a scholarship to a New England prep school, but there is a catch: Joey must break all ties with Pepi Savino. Joey finally decides what to do, and in an exciting climax, he confronts Pepi with his decision.
