**Promoting the digitalization of small and medium-sized agrifood enterprises in Asia and the Pacific** Gálvez Nogales, E., Casari, G., 2023-12-11 Small and medium sized enterprises SMEs constitute the large majority of businesses both globally and in Asia and the Pacific Despite their undeniable importance the literature on SMEs in general and agrifood SMEs in particular is relatively limited One specific area that deserves deeper consideration is the extent of digital engagement of agrifood SMEs along the agrifood value chain from farm to retail and food services in countries in Asia and the Pacific The goal of this publication is to understand the current status of digitalization of agri SMEs in Asia and the Pacific what this process looks like and how to improve it A value chain approach was adopted to evaluate the digital maturity of all types of agri SMEs across previously siloed categories from farm to fork and in the core and the extended value chain The report analyses the benefits of digital transformation for agri SMEs and the challenges they face in this process Next the report outlines practical and actionable measures that governments and other stakeholders may undertake to help agrifood SMEs stay ahead in the digital age Special attention is given to the creation of a digital environment that enables agri SMEs to increase the efficiency of their operations and allow them to grow This is particularly important given that many agri SMEs are located in rural agricultural areas where more than half of the population in Asia and the Pacific still resides but where the environment is less favourable to digital transformation

Retail in Detail Ronald L. Bond, 2013-07-22 Since it was first published Retail in Detail has helped tens of thousands of retail business owners successfully start and run their businesses It has established a reputation as a no nonsense down to earth guide for small retailers This fifth edition has been fully updated for today's rapidly changing retail environment in the Internet age A new chapter contains specific tips on using the Internet for marketing and two way communication with customers New sections cover becoming an e-tailer including choosing a domain name processing credit cards shipping and receiving and other Internet specific issues Brick and mortar retailers learn how to assess product vulnerability to

competition from Internet businesses This essential reference contains many specific examples and case studies based on the author's experiences starting and successfully operating three retail stores and a bed and breakfast as well as on the experiences of dozens of successful entrepreneurs Worksheets can be used by beginning retailers to plan for and operate their business

**Growing Small** Angel Cicerone, 2015-04-17 About this book Maybe you're stuck Or you're just in the planning stages of your retail adventure Maybe you started your business pre recession and can't seem to recover Or you opened post recession and are having trouble navigating the ever changing retail environment Maybe you're just curious

*Starting a Retail Business* Philip Snaddon, 1978 *Small Store Survival* Arthur Andersen, LLP, 1997-01-14 Small Store Survival should challenge retailers' views of small store retailing by questioning key areas of business What is the vision for the store in 10 years How have the customers changed over the past few years How current are the managers about what customers genuinely like and dislike What is being done to attract, educate and motivate the best retail talent in the area How effective is the merchandising strategy What plans exist for succession The real lesson of this study is that the best retailers never stop learning They never stop growing They never lose their enthusiasm for the customers and the business And they never cease to revel in change and the chance to deal with it from the Executive Summary of Small Store Survival Small Store Survival Over the past decade thousands of small retail stores have fallen victim to overwhelming competition from huge discount chains determined to take in every retail dollar in sight But not everyone succumbs to the megastore invasion many small retailers grow and prosper in spite of this cutthroat competition How do they do it Even more important how can you do it Small Store Survival is the how to book that belongs behind the counter of every independent retail store It analyzes small store operation in detail and lays out optimal survival strategies and tactics for seven key areas of business practice that are critical to success customer service marketing merchandising store operations management human resources and finance Its clear and logical organization enables you to evaluate your business practices function by function identify strengths and weaknesses and develop action plans to improve operations in each of these crucial functions Written by a team of experts from Arthur Andersen LLP this guide presents detailed solutions and best practices culled from retailers' surveys site visits and industry research Its recommendations are applicable to a broad variety of retail formats including stores that specialize in apparel appliances books drugs health and beauty care products electronics hardware home and garden supplies pets and pet supplies as well as other specialty stores Numerous case studies illustrate the problems that plague many retailers and demonstrate ways you can overcome these obstacles and improve your business You'll learn how to Identify customer expectations and meet or exceed them at every turn Identify pursue and capture a distinct customer market Establish a vision and culture for your store plan where the company needs to go and take steps to get there Compete for quality employees and once you hire them keep them Establish budgetary controls and contain costs Negotiate effectively for favorable terms from vendors and suppliers The most successful retailers never stop learning growing

and adapting to changing circumstances The hundreds of sound ideas presented in this study were developed and implemented by the most successful small store operators in the industry Here is your chance to learn and grow with them by adapting these solutions to your own business needs **A True Survival Guide for Small Businesses** Michael Ruffino, 2008 A True Survival Guide for Small Businesses is a valuable resource for any retail entrepreneur who wants to learn how to successfully market and sell his or her business Michael Ruffino has over twenty years of experience in retailing both as an employee and as a storeowner and presents essential marketing tools for new business owners in a practical and straightforward style He provides twelve easy ways to advertise either inexpensively or for free a thorough explanation of salesmanship that will help owners receive the most from floor traffic and a simple way to look at forecasting and budgeting that avoids a heavy debt burden Ruffino coaches entrepreneurs on the essential skills and planning needed to implement a strategy for success Learn how to Anticipate and understand the challenges that lie ahead Become part of the community Create S M A R T goals Increase your skill set for better sales Analyze return on investment for every advertising dollar spent Deal with setbacks This guidebook will help business owners develop a unique footprint and culture through creative store management and innovative marketing that can be translated into practical goals for businesses for years to come

*Revolutionary Retailing* Robert Kramer, 2004-06 Sunset Illusions may be one of the most unusual stories ever told In an expanding Universe with forward moving time Sam Hevi had to do his job raise his family and maintain his dignity as a human being These were not easy tasks in the difficult world he faced Sam Hevi an astronomer and leader of the freedom movement had to try to live free within a government that didn't believe in freedom He had to search for truth in a world driven by unquestioned belief and he had to try to find reality in a life smothered in illusion These were not easy tasks in the difficult world he faced All seemed to be going about as well as could reasonably be expected until the day Sam lost his wife It was the first blow to his world The second came with the loss of his brother and best friend in the war The final blow came toward the end of his life when his only son had him committed to the government's Old Folk's home an acknowledged warehouse for senile senior citizens In many ways this last act was the worst blow of all because it shattered Sam's self esteem He was determined that this was the final intolerable indignity he would ever face It took some planning but Sam did make his final escape At least that's what he thought After his escape Sam woke up very cold and confused He realized that something was not quite right Things were the same and yet different at the same time It took him awhile to find out why but when he did he couldn't believe it He had awakened in a world that looked the same as before but now the Universe was contracting and time was running backwards That alone was a shock especially when he discovered that time was running in reverse and he was going to have to live his life over again only this time he had to do it backwards Welcome to Sunset Illusions *Small Store Planning for Growth* John Williams Wingate, Seymour Helfant, 1977 **More Profit from Your Retail Business** Glen A.
