

Важнейший аспект развития общества состоит в расширении межэтнических контактов. Рост мобильности населения, развитие коммуникаций, совершенствование информационных технологий и многое другое ведет к преодолению замкнутости этносов, расширению их взаимодействия. Взаимодействие происходит как на глобальном, так и на личностном уровне. Формой личностного взаимодействия является добровольный союз мужчины и женщины, определенный как брак. Межэтнические браки являются объектом повышенного интереса, поскольку их изучение имеет огромную значимость в современном обществе. В таких браках происходит преобразование этнического самосознания, закрепляется и совершенствуется приобретенные в ходе исторического развития знания в области культуры, сохранения традиций, обычаев и языка.

Смешанные браки – взаимодействие

Вера Андреевна Паркина

## Смешанные браки как форма межэтнического взаимодействия
