THE STORM WITHIN Dr. Ronald Laybolt,2021-03-30 Mental Health is something we all struggle to attain Social psychological and emotional wellbeing can make the difference between living our best lives and just surviving day by day hanging on by our fingernails It affects how we feel think and behave Over the course of our lives most individuals will experience mental health problems that will negatively impact their ability to make good choices relate well with the world and be comfortable within their own minds And when that happens we feel extremely alone however that could not be further from the truth We all go through those periods when our own minds seem to be working against our best interests Some of us have to deal with it our whole lives however there are people who want to help be they friends family members volunteers on help lines or trained professionals who have dedicated their lives making a difference The second book is a continuation from the first and focusses on another 14 different types of Mental Health Illness breaking down their symptoms causes treatments and stories From both people who have had to live with these illnesses and from those striving to help Whether you are dealing with these issues yourself or looking for answers to help someone you love you are not alone together we will face The Storm Within
