No Further Action - The Truth Behind the Smile Jim Davidson,2015-06-04 On 2 January 2013 just a day before Jim Davidson was due to enter the Celebrity Big Brother house he found himself behind far more serious locked doors when he was arrested by the Yewtree detectives over alleged sex offences Twelve months later the public voted to crown Jim Davidson as the winner of the latest series of Celebrity Big Brother Finally with all charges dropped and no further action being taken and with the public offering him their staunch support Jim can finally look back on his year from hell Facing a series of damaging false allegations Jim was forced to fight not just for his reputation and his career but for his freedom too Mounting legal costs and a deepening sense of injustice saw Jim sink to the lowest point of his career as the Yewtree investigation threatened to ruin him both financially and emotionally Finally after months of pain came the words he and his supporters had been waiting to hear No Further Action Now with the public s approval Jim reflects on this painful period with the regular dose of wit and humour that have made him so successful Searingly honest No Further Action pays tribute to those who stood by him and takes a wry look at what life is like under investigation in the public eye YOU CAN T FAIL TO BE MOVED BY THIS STORY Daily Express

*Nikitta: A Mother's Story - The Tragic True Story of My Daughter's Murder* Marcia Grender,2016-02-04 On February 5 2011 Marcia Grender received a phone call which changed her life forever The flat her beautiful 19 year old daughter Nikitta shared with her fiance Ryan Mayes was on fire and Nikitta was believed to be trapped inside Marcia and her partner Paul Nikitta s father rushed to the scene but there was nothing they could do Firefighters had already discovered Nikitta s body in the wreckage of the home she d lovingly built with her childhood sweetheart To add to their agony Nikitta had been eight months pregnant The fully formed yet unborn baby girl she d already named Kelsey May was gone too But it soon became apparent Nikitta s death was far from an accident Within hours the investigation became a murder inquiry and Ryan s cousin Carl Whant was the prime suspect As her world collapsed around her Marcia could only watch in horror Shortly after Whant was charged with murder child destruction rape and arson she began charting her feelings in a searingly honest diary the contents of which are published for the first time in this book Marcia painstakingly recalls the agony of holding her granddaughter for the first time in a police mortuary but being unable to see her dead daughter because of the shocking state in which Whant had left her But above all she speaks of the indescribable hell of learning to live without the most important thing in her life

**Hate to Love You** Jenn Bennett, 2021-06-29 Hate to love romance takes center stage in Jenn Bennett's contemporary novels *Alex Approximately* and *Starry Eyes* now together in one incredible package that's perfect for fans of Jenny Han and Morgan Matson. When the guy you're meant to be with is your worst enemy, things can get a little complicated. Especially for Bailey in *Alex Approximately* after she falls for a sensitive film geek she only knows online as Alex. It also just so happens that Bailey is moving to California to the same coastal town as her online crush and yet she is too afraid to tell Alex she's moved to his hometown. Or that she's landed a job where she's being tormented daily by her coworker: smart, alecky, yet irritatingly hot surfer boy Porter Roth. But what Bailey doesn't know is that Porter isn't just any local surfer dude. Porter Roth is Alex approximately. Trapped in the wilderness with the boy who broke your heart isn't an ideal situation for anyone. And in *Starry Eyes* it was definitely not what Zorie had planned for a camping trip. Abandoned by her friends with only her ex-boyfriend Lennon for company, the two have no choice but to hash out their issues via witty jabs and insults as they try to make their way to safety. But as the duo travels deeper into California's rugged backcountry, secrets and hidden feelings surface. Turns out the magic of the twinkling stars might be the key to getting Zorie and Lennon back together or the last straw to tear them apart for good. Jenn Bennett's popular hate-to-love romances are here to prove that sometimes the one person you can't stand is actually the person of your dreams you just might not know it yet.

**The Gipsie's Warning** Henry A. Coard, 1864      **Modern English Biography** Frederic Boase, 1901      *You Never Forget Your First* Josh Lewin, 2014-05-27 Having already penned *Getting in the Game*, his inside scoop on the mayhem within baseball's winter meetings, Josh Lewin once again gives baseball fans a window into the big leagues. By interviewing big league ballplayers about their first day in the majors, Lewin creates fascinating mini biographies of the players, highlighting the personalities hidden behind the on-field accomplishments. He lets the players recount their own memories of how they made it to the big leagues. In *You Never Forget Your First*, Lewin shares the stories of players great and less so. Tony Gwynn recalls singling in his first at bat and finding Pete Rose waiting for him at first base with a wink and a warning: "Don't break my record all at once, kid." Bob Brenly heard of his call up on the car radio while on a family trip to the Grand Canyon. He then stood helplessly in the middle of the Arizona desert after his transmission gave out, trying to convince passersby he was a ballplayer heading to the big leagues and needed a lift to the airport. Duane Kuiper witnessed a fight both on the field and in his own clubhouse his first day in Cleveland. Greg Maddux recalls being stuck at the Chicago River drawbridge, convinced he'd never make it to Wrigley Field in time for his debut. Lewin interviews modern star players such as A-Rod, Barry Bonds, and Manny Ramirez, as well as Hall of Famers such as Jim Palmer, Don Sutton, and George Brett. More than 100 popular baseball players are profiled, complete with the box scores of their big league debuts.
