This book is a byproduct of a powerful sermon I preached a few years ago entitled "Soaring As an Eagle." Hundreds of believers were blessed by that sermon, and many of them pleaded that I turn my manuscript into a book. Consequently, after months of research, prayers, and writing, you now hold in your hands a book that is easy to read, thought-provoking, inspirational, encouraging, and eye-opening. It teaches you how to cultivate the mind of God concerning your life and situation. After reading this book, you are going to like the way you think and live. I guarantee it. Rev. Josef A. Howard, M.Div., PhD, Author. **Actions Speak Louder than Words** Celia Oyler, 2012-03-22. How do educators engage students in community action projects without telling them what to think, how to think, or what to do? Is it possible to integrate social justice organizing into the curriculum without imposing one's political views on students? In *Actions Speak Louder than Words*, longtime activist and teacher educator Celia Oyler delves into such questions through firsthand accounts of social action projects. By moving beyond charity work or volunteerism, she shows how community activism projects offer fertile ground for practicing democratic engagement as part of classroom work. *Actions Speak Louder than Words* is a systematic qualitative study offering in-depth and detailed portraits of teachers who design social action projects as part of the regular classroom curriculum. Each case forms a chapter organized as a narrative that includes excerpts from classroom dialogues and interviews with students, teachers, and parents describing their social action projects with sufficient detail to give educators guidance for designing such projects for their own classrooms. The final chapter examines power, pedagogy, and learning outcomes across the cases, providing specific guidance to educators wishing to take up such projects and offering instructional and procedural advice as well as cautions. A fresh new example of taking up the challenge to teach toward equity and social justice, *Actions Speak Louder than Words* is an invaluable resource for educators who are passionate about the possibility of integrating activism and advocacy into curriculum as a means to engage in strong democracy. **School Life**, 1960. **Speak Life** Vanessa Wynder Quainoo, 2011-04. *SPEAK LIFE* is about what it means to intentionally harness the power of the spoken word for the good as an act of blessing. What does the Bible say about how we use our words? Is our daily communication important to God? In essence, how can we bless one another with our words? And why should we make speaking to bless others a priority? These and other questions are addressed in this Scriptural exploration and admonition to *SPEAK LIFE*. Dr. Vanessa Wynder Quainoo is an Associate Pastor and Associate Professor of Communication Studies. With twenty years of college teaching experience and a passion for sharing Biblical teaching about communication, Dr. Quainoo speaks at churches, workshops, seminars, and universities throughout the United States and West Africa. Her work also includes developing Biblical models of communication for married couples, families, and multicultural communities. Married to Bishop Joseph Quainoo, they are
