Theodore Alois Buckley, 2020-07-17 Reproduction of the original Iliad of Homer by Theodore Alois Buckley **The Beau Street, Bath Hoard** Verity Anthony, Richard Abdy, Stephen Clews, 2019-10-31 The remarkable discovery of the Beau Street Hoard captured the public imagination and became the focus for a major scientific investigation and a significant learning and public engagement programme This book provides a thorough and complete publication and analysis of the hoard which is one of the largest yet found in a Roman town in Britain *Desiring Rome* Richard Jackson King, 2006 During his last two decades ca 2 BCE 17 CE Ovid composed but never completed his *Fasti* an elegiac representation of Rome's rites and festivals only six of twelve month books remain Earlier scholars have claimed that this is due either to Ovid's exile from Rome which put him out of touch with the Roman literary world or else his frustration over the Roman calendar's discontinuity Drawing upon recent scholarship in gender studies and Lacanian film theory Richard J King analyzes this exilic incompleteness as inviting the citizen male reader into what he calls an angular or skewed viewpoint which interrogates the Roman hierarchical and male dominated social order insofar as it is mirrored in the Roman calendar of rites and festivals Ovid already well known and even infamous as the composer of erotic poems and the *Metamorphoses* does this by emulating the civic gesture of calendar presentation whereby upwardly mobile adult male citizens caused calendars to be carved in stone and set up in conspicuous public places to reflect the city's pride and to build their own prestige as public figures In this innovative study King discusses the *Fasti* as Ovid's socially strategic use of this gesture Interrupted by exile and filled with varying explanations of Roman festivals Ovid's poetic version manifests a form whose brokenness comments on the fractured identity of the exiled poet and citizen subjects generally in an imperial order ambivalent toward its greatest poet *Desiring Rome* expands upon recent recognition of the *Fasti*'s centrality to early imperial politics by situating the poem's failure within broader negotiations of identity between early imperial citizen subjects and the cultural ideology of Roman manhood
